RE: ACDES-Water Distribution System Repair Contract
3 Year Contract Extension for 2023-2025

Ryan,

Reference is made to the terms of the subject contract dated February 1, 2022 under Resolution 2022-85SEWA. This letter serves as notice to UIC of the intent of ACDES to extend the contract for the first time through 2025. The end of the year 2025 will conclude the first three year extension, with the possibility of extending the contract for three additional years. The contract for 2023-2025 will included the acknowledgement of the National Highway Construction Cost Index (NHCCI) percentage of increase for labor and equipment, which will compound each year of the extension. 2023 will be increased by 17%.

By signature below, Union Industrial and ACDES mutually agree to extend operational repair services within the time period commencing January 1, 2023 and ending on December 31, 2025. Upon review and blue-ink signature, please remit two original copies to our office as soon as possible. Once signed a Resolution formally acknowledging the extension will be before the Board of Commissioners.

Thank you for your consideration, and continued relationship with ACDES.

Yours in Service,

Doug Starkey, Director
