Request for Quote-Soil Scientist

Ashtabula County has received an OEPA HSTS WPCLF award to assist income qualified homeowners with replacement of failing septic systems. Ashtabula County Department of Planning and Development will be qualifying applicants and securing the professionals and contractors to complete the septic system replacements. Ashtabula County will be paying for services for the qualifying home-owners.

Ashtabula County is seeking a qualified soil scientist to evaluate all qualifying properties.

Scope of Work: Evaluate the soil on the parcels for siting a household sewage treatment system. This information will be provided to the home-owner, Ashtabula County Health Department and Ashtabula County Department of Planning and Development for the design of a replacement septic system. It is estimated that 5 to 10 septic systems will be replaced with the current grant funds available. Parcels to be evaluated will be located throughout Ashtabula County and will be determined by Ashtabula County Department of Planning and Development.

Per the terms of the HSTS WPCLF program, Ashtabula County will enter into a contract with the selected soil scientist who will need to provide all appropriate information in the attached contract.

Time Period: Upon contract signing
