IT IS HEREBY CERTIFIED that the foregoing is a true and correct transcript of a resolution acted upon and duly passed by the Board of County Commissioners of Ashtabula County, Ohio, on the date noted above.

---

Lisa Hawkins, Clerk of the Board  
Board of County Commissioners  
Ashtabula County, Ohio

A. Definitions. Seller is Southeastern Equipment Co. Inc.; Purchaser is the entity denoted above in the box titled purchaser; collectively Seller and Purchaser may be referred to as Parties; Equipment is new or used equipment being purchased by Purchaser; Trade-In Equipment is equipment being sold by Purchaser to Seller in exchange for a credit only applied to this sale; and Agreement is this contract for the sale and Trade-In of equipment between the Parties.

B. Price and Payment. The Purchaser and Seller agree that the Total Amount Due will be finally determined by Seller on the date of Delivery of the Equipment based on the manufacturer invoice plus any surcharges from the manufacturer. Seller hereby does sell, convey and transfer title to Purchaser for Equipment upon full payment of the Balance Due, as calculated pursuant to this Agreement. Purchaser shall remit payment to Seller by cash, check, electronic wire, ACH or other reasonable commercially acceptable method of payment within thirty (30) days of Delivery of Equipment if Purchaser has established line of credit with Seller or immediately upon Delivery of Equipment if no line of credit is established. A finance charge of 1.5% per month for the maximum amount permitted under applicable state law will be assessed on all past due balances. All additional taxes or fees owed because of the sale are the responsibility of the Purchaser. SELLER RETAINS A SECURITY INTEREST IN THE EQUIPMENT UNTIL THE FULL PURCHASE PRICE IS RECEIVED BY SELLER.

C. Delivery of Equipment. Seller will make Equipment available according to the delivery instructions contained herein. If no instructions are included, the Seller will make Equipment available at the location where the Equipment is located. Purchaser is responsible for all shipping and trucking costs, including loading and unloading, permits and other expenses. Costs may be included in the Total Amount Due if trucking has been predetermined. Any change in delivery location may result in additional charges to be borne by Purchaser. Special order Equipment will be made available once delivery is received by Seller from Equipment supplier. Unless Seller is using Seller's in-house trucking services, Equipment is delivered FOB Seller's location. Seller reserves the right to subcontract or assign Seller's obligation to deliver Equipment. Seller reserves the right to substitute Equipment that is the same year, condition, make, model, within ten (10) hours on the hour meter, and of the same or better configuration without breach of this Agreement or notice.

D. Condition of Equipment. ALL EQUIPMENT IS SOLD AS IS, WHERE IS UNLESS OTHERWISE STATED IN THIS AGREEMENT. SELLER MAKES NO EXPRESS OR IMPLIED REPRESENTATIONS OR WARRANTIES, INCLUDING THE IMPLIED WARRANTY OF MERCHANTABILITY AND FITNESS, EXCEPT FOR WARRANTY EXPRESSLY MADE ON THIS AGREEMENT. Manufacturer warranty does not in itself create a warranty by Seller. Any reference to hour meters on used equipment is for informational purposes only, Purchaser should inspect any used equipment prior to purchase. Purchaser acknowledges warning and responsibility for inspecting all equipment and ensuring equipment meets any and all applicable safety and operational guidelines and laws for use, including the standards set forth in the Federal Occupational Safety and Health Act of 1970, as amended and restated.

E. Trade-In Equipment. If Trade-In Equipment is included on this Agreement, Purchaser hereby bargains, sells and conveys unto Seller the Trade-In Equipment and represents and warrants that Purchaser has marketable title free and clear of any encumbrances, liens, and security interests except to the extent included in the trade payoff number and fully disclosed to Seller. If Trade-In Equipment is not delivered to the Seller prior to delivery of the Equipment to Purchaser, the Trade-In Equipment may be reappraised at the sole discretion of Seller and such reappraisal value shall determine the allowance made for such Trade-In Equipment. In the event the Trade-In Equipment appraisal value is less than the original allowance for said equipment, the Purchaser may terminate this order, however, termination will only be valid if received prior to delivery of Equipment.

F. Limitation of Liability. IN NO EVENT SHALL SELLER BE LIABLE FOR ANY INDIRECT, INCIDENTAL, PUNITIVE, SPECIAL OR CONSEQUENTIAL DAMAGES, OR DAMAGES FOR LOSS OF PROFITS, REVENUE, OR USE INCURRED BY PURCHASER OR ANY THIRD PARTY, WHETHER IN AN ACTION IN CONTRACT, OR TORT, OR OTHERWISE EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. SELLER'S LIABILITY FOR DAMAGES ARISING OUT OF

Country	US	Total Hours:	2000	Date Quoted	January 3, 2024
MFWD/Tracks	N				

Scraper Use

THIS PROPOSAL IS VALID FOR 30-DAYS FROM DATE ISSUED. GRACE pricing is offered only early during the Deere basic warranty period and has no surcharges. After this period, DELAYED PURCHASE pricing (surcharged) is offered later during the John Deere Basic Warranty. Many PowerGard quotes presented in the Delayed Purchase Period will require inspection/certification process and must also past fluid testing. The Total Months and Total Hours listed above include the John Deere Basic Warranty terms (24 months / 2000 hours on Tractors, 24 months on Golf & Turf Products, 12 months for all AG Harvesting and Sprayer equipment, and 12 months/1000 hours on most Gator Utility Vehicles). "Limited" Plan coverage = Engine & Powertrain only. "Comprehensive" Plan coverage = Full Machine.

PowerGard Protection Proposal Prepared for: I have been offered this extended warranty and

Customer Name - Please Print

I ACCEPT the PowerGard Protection

I DECLINE the PowerGard Protection

Customer Signature

If declined, I fully understand that my equipment listed above is not covered for repair expenses due to component failures beyond the original basic warranty period provided by John Deere.

Note : This is not a contract. For specific PowerGard Protection coverage terms and conditions, please refer to the actual PowerGard Protection Plan contract for more information and the terms, conditions and limitations of the agreement.

What PowerGard Protection is :

The PowerGard Protection Plan is an extended warranty program for reimbursement on parts and labour for covered components that fail due to faulty material or original workmanship that occur beyond the John Deere Basic Warranty coverage period. The agreement is between Deere & Company and the owners of select John Deere Commercial and Agricultural equipment, who purchase the PowerGard Plans for the desired coverage as indicated in this proposal.

What PowerGard Protection is not :

PowerGard Protection is not insurance. It also does not cover routine maintenance or high wear items, or insurance-related risks/perils such as collision, overturn, vandalism, wind, fire, hail, etc. It does not cover loss of income or loss of value of crops during or after an equipment failure. See the actual product-specific PowerGard Protection Plan agreement for a complete listing of covered components, and limitations and conditions under the program.

**Features/Benefits:**

PowerGard protection include the following features and benefits under the program :

- Pays for parts and labour costs incurred on failed covered components (less any applicable deductibles),
- Does not require pre-approval before repairs are made by the authorized John Deere dealership,
- Payments are reimbursed directly to the dealership with no prepayment required by the contract holder.
- PowerGard Protection agreements ensure that only Genuine John Deere Parts are used in all repairs,
- PowerGard coverage is fully transferable to future owners, with no transfer fees when coverage remains,
- PowerGard ensures higher resale value and makes equipment more marketable during the sale or trade-in,
- PowerGard allows you to budget your total cost of ownership, with financing available through John Deere Credit or other sources,
- PowerGard helps prevent large, unexpected repair bills during later years of equipment ownership, in exchange for a smaller protection fee up front.

January 22, 2024

Lisa Hawkins, Clerk of the Board  
Ashtabula County Commissioners  
25 West Jefferson St.  
Jefferson, Ohio 44047

RE: Approval to purchase 2023 John Deere 6105E tractor with Mowmaster 17' boom mower 60" rotary head.

Dear Lisa,

This office requests authorization from the County Commissioners to purchase a new 2023 John Deere 6105 E with boom mower. This tractor is offered through the Federal Sourcewell cooperative purchasing contract as item Ag Tractors 02923-DAC (PG IP CG 70). The Engineer's member # is 158868. Landpro Equipment, LLC, 49290 State Route 14, E. Palestine, OH 44413 is the vendor for this contract.

The new tractor with mower will replace a 2003 Massey Ferguson (SN:L45112) with mower that has been repaired numerous times and is beyond its useful life. The Massey Ferguson will be traded in for a price of \$13,000.00.

The cost of the John Deere tractor is \$87,779.78, with mower attachment set-up of \$69,875.00 for a total of \$157,674.78. The tractor and mower will be purchased with MV&GT funds (2024 Budget). The total cost minus trade will be \$144,674.78.

Thank you for your consideration of this request.

Sincerely,

A handwritten signature in blue ink that reads "Thomas G. Partridge".

Thomas G. Partridge, P.E., P.S.  
Chief Deputy Engineer
