These Terms and Conditions, any price list or schedule, quotation, acknowledgment, Seller's scope or statement of work, or invoice from Seller relevant to the sale of the Goods, Parts and Licensing of Software by Seller, and all associated terms, conditions and documents incorporated by specific reference herein or therein, constitute the complete and exclusive statement of the terms of the agreement ("Agreement") governing the sale of Goods, Parts, and/or license of Software by Seller to Buyer. Any discrepancies between the terms of the above referenced documents shall be resolved by Seller. Seller's acceptance of Buyer's purchase order is expressly conditional on Buyer's assent to all of Seller's terms and conditions of sale. Buyer's acceptance of the Goods, Parts, and/or Software will manifest Buyer's assent to the terms of this Agreement. Seller reserves the right in his sole discretion to refuse orders.

1. PRICE: Unless otherwise specified in writing by Seller, the price quoted or specified by Seller for the Goods, Parts and/or Software shall remain in effect for (30) days after the date of Seller's quotation. Seller's scope of work or acknowledgment of Buyer's order for the Goods, whichever occurs first, provided an unconditional authorization from Buyer for the shipment or performance of the Goods and/or Parts, and/or Software is received and accepted by Seller within such time period. If such authorization is not received by Seller within such thirty (30) day period, Seller shall have the right to terminate the agreement. All prices and license fees are exclusive of taxes, transportation and insurance, which are to be borne by Buyer. Seller reserves the right to correct any obvious errors in specifications or prices and, in the event of a large measure event, make equitable adjustments to Seller's price for the Goods, Parts, and/or Software prior to Seller's shipment or performance. Unless otherwise specified by Seller, Parts that are required for the performance of services will be furnished at Seller's then-prevailing prices. A service charge of \$18.00 will be added to all orders which, excluding shipping charges, taxes, and insurance, do not meet the minimum order value of \$750.00. The service charge amount and/or minimum order value may be changed by Seller at any time, without notice.

2. TAXES: Any current tax, duty, tariff or governmental charge (or increase in same) affecting Seller's costs of production, sale, service or delivery or shipment of Goods, Parts, and/or Software, or which Seller is otherwise required to pay or collect in connection with the sale, purchase, delivery, performance, storage, processing, use or consumption of Goods, Parts, and/or Software, shall be for Buyer's account and shall be added to the price or billed to Buyer separately, at Seller's election.

3. TERMS OF PAYMENT: Unless otherwise specified by Seller, terms are net thirty (30) days from date of Seller's invoice in U.S. currency. Seller shall have the right, among other remedies, either to terminate this Agreement or to suspend further performance under this and/or other agreements with Buyer in the event Buyer fails to make any payment when due, which other agreements Buyer and Seller hereby agreed accordingly. If any payment owed to Seller is not paid when due, it shall bear interest, at a rate to be determined by Seller, which shall not exceed the maximum rate permitted by law, from the date on which it is due until it is paid. Seller may preserve its interests in payment by enforcing any applicable mechanic's, labor, construction or similar lien rights. Should Buyer's financial responsibility become unsatisfactory to Seller, such payments or security satisfactory to Seller may be required by Seller for future deliveries or performance of Goods, Parts, and/or Software. Seller's cash payment or letter of credit is not permitted. In addition to Seller's other rights and remedies, Seller may discontinue deliveries or performance. Buyer hereby grants to Seller a security interest in all Goods, Parts, and/or Software sold to Buyer by Seller, which security interest shall continue until all such Goods, Parts, and/or Software are fully paid for, and Buyer, upon Seller's demand, will enclose and deliver to Seller such instruments as Seller requests to protect and perfect such security interest. As permitted by law, all purchases paid by credit card shall be charged a 2.0% usage surcharge of the invoice total, for fees paid by Seller to accept credit card transactions.

4. SHIPMENT AND DELIVERY: While Seller will use all reasonable commercial efforts to maintain the delivery date(s) and/or performance dates acknowledged or quoted by Seller, all shipping dates and/or performance dates are approximate and not guaranteed. Seller reserves the right to make partial shipments. Seller, at its option, shall not be bound to tender delivery of any Goods, Parts, and/or Software for which Buyer has not provided shipping instructions and/or required information. If the shipment or performance of the Goods, Parts, and/or Software is postponed or delayed by Buyer for any reason, Buyer agrees to reimburse Seller for any and all storage costs and other additional expenses resulting therefrom. For sales in which the end destination of the Goods, Parts, and/or Software is outside of the United States (except for those international sales to Seller's affiliated companies), risk of loss and legal title to the Goods, Parts, and/or Software shall transfer to Buyer immediately after the Goods, Parts, and/or Software have passed beyond the territorial limits of the United States. For international sales to Seller's affiliated companies, all shipments of Goods, Parts, and/or Software are made on a Delivered at Place (DAP) basis, per Incoterms 2020, with freight charges from Seller's facility to destination terminal included to Buyer either on a Prepaid or FIDI/DAP basis as agreed by Seller and Buyer. All other sales of Goods, Parts, and/or Software are made on an Ex Works (EXW) Seller's Shipping Point basis, per Incoterms 2020, with Seller responsible to load goods on Buyer's nominated vehicle. Any claims for shortages or damages suffered in transit are the responsibility of Buyer and shall be submitted by Buyer directly to the carrier. Notwithstanding the above, risk of loss and legal title to Parts shall transfer to Buyer (i) upon delivery by the Seller, or (ii) at the time Parts are placed in storage due to Buyer's delay or postponement. Shortages or damages must be identified and signed for at the time of delivery. Requests for changes in quoted transportation modes will not be made or accepted on orders already processed unless otherwise mutually agreed upon by Seller and Buyer. Requests for changes in quoted transportation modes to orders already accepted by Buyer will be subject to new freight terms and billed at the price in effect at the time of the request for change. Any request for changes to quoted transportation modes must be submitted in writing to Seller and are subject to Seller's acceptance and adjustment in freight prices. The transportation costs quoted by Seller may be changed by Seller without notice in order to reflect Seller's prices at the time of shipment and will reflect any material increase in transportation costs. If a price for delivery has been quoted, any changes at the destination for transportation modes, spotting, unloading, handling, storage and other ancillary services and damage shall be borne by the customer, and any related increase in transportation charges shall be added to the quoted price.

6. LIMITED WARRANTY: Subject to the limitations of Section 8, Seller's standard warranty that is applicable to the Goods and/or Software at the time of purchase is the only warranty applicable to the sale of Seller's Goods and/or Software and its terms, conditions and limitations are incorporated by reference herein. Seller warrants that it will perform the services as described in these terms and conditions and will exercise all reasonable skill, care and due diligence in the performance of the services. Seller warrants that all services performed shall be free from faulty workmanship for a period of thirty (30) days from completion of services. Goods, Parts and/or Software purchased by Seller from a third party for resale or license to Buyer ("Resale Products") shall carry only the warranty extended by the original manufacturer. To the extent assignable, Seller assigns to Buyer any warranties that are made by manufacturers and suppliers of such Resale Products. EXCEPT AS SPECIFIED ABOVE, RESALE PRODUCTS FURNISHED HEREUNDER ARE FURNISHED AS-IS, WHERE-IS, WITH NO WARRANTY WHATSOEVER. THE WARRANTY SET FORTH IN THIS SECTION 6 AND THE WARRANTY SET FORTH IN SECTION 8 ARE THE SOLE AND EXCLUSIVE WARRANTIES GIVEN BY SELLER WITH RESPECT TO THE GOODS AND/OR SOFTWARE AND ARE IN LIEU OF AND EXCLUDE ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, ARISING BY OPERATION OF LAW OR OTHERWISE, INCLUDING WITHOUT LIMITATION, MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE WHETHER OR NOT THE PURPOSE OR USE HAS BEEN DISCLOSED TO SELLER IN SPECIFICATIONS, DRAWINGS OR OTHERWISE, AND WHETHER OR NOT SELLER'S PRODUCTS ARE SPECIFICALLY DESIGNED AND/OR MANUFACTURED BY SELLER FOR BUYER'S USE OR PURPOSE.

SELLER'S WARRANTY EXTENDS ONLY TO PURCHASERS WHO BUY FOR INDUSTRIAL OR COMMERCIAL USE. This warranty does not extend to any losses or damages due to misuse, accident, abuse, neglect, normal wear and tear, negligence (other than Seller's), unauthorized modification or alteration, use beyond rated capacity, unusual power sources or environmental conditions, improper installation, repair, handling, maintenance or application or any other cause not the fault of Seller. To the

extent that Buyer or its agents have supplied specifications, information, representation of operating conditions or other data to Seller in the selection or design of the Goods and/or Software and the preparation of Seller's quotation, and/or scope of work, and in the event that actual operating conditions or other conditions differ from those represented by Buyer, any warranties or other provisions contained herein that are affected by such conditions shall be null and void. Buyer assumes all other responsibility for any loss, damage, or injury to persons or property arising out of, connected with, or resulting from the use of Goods, Parts, and/or Software, either alone or in combination with other products/components.

6. LIMITATION OF REMEDY AND LIABILITY: THE SOLE AND EXCLUSIVE REMEDY FOR BREACH OF ANY WARRANTY HEREUNDER (OTHER THAN THE WARRANTY PROVIDED UNDER SECTION 8) SHALL BE LIMITED TO REPAIR, CORRECTION OR REPLACEMENT, OR REFUND OF THE PURCHASE PRICE UNDER SECTION 6. SELLER SHALL NOT BE LIABLE FOR DAMAGES CAUSED BY DELAY IN PERFORMANCE AND THE REMEDIES OF BUYER SET FORTH IN THIS AGREEMENT ARE EXCLUSIVE. IN NO EVENT, REGARDLESS OF THE FORM OF THE CLAIM OR CAUSE OF ACTION (WHETHER BASED IN CONTRACT, INFRAVIOLATION, NEGLIGENCE, STRICT LIABILITY, OTHER TORT OR OTHERWISE), SHALL SELLER'S LIABILITY TO BUYER AND/OR ITS CUSTOMERS EXCEED THE PRICE PAID BY BUYER FOR THE SPECIFIC GOODS, PARTS, AND/OR SOFTWARE PROVIDED BY SELLER OWING TO THE CLAIM OR CAUSE OF ACTION.

BUYER AGREES THAT SELLER'S LIABILITY TO BUYER AND/OR ITS CUSTOMERS SHALL NOT EXTEND TO INCLUDE INCIDENTAL, CONSEQUENTIAL OR PUNITIVE DAMAGES. The term "consequential damages" shall include, but not be limited to, loss of anticipated profits, business interruption, loss of use, revenue, reputation and data, costs incurred, including without limitation, for capital, fuel, power and loss or damage to property or equipment. It is expressly understood that any technical advice furnished by Seller with respect to the use of the Goods, Parts and/or Software is given without charge, and Seller assumes no obligation or liability for the advice given, or results obtained, all such advice being given and accepted at Buyer's risk.

7. INSURANCE: Seller shall maintain the following insurance or self-insurance coverage: Worker's Compensation in accordance with the statutory requirements of the state in which the work is performed. Commercial General Liability (CGL) for bodily injury and property damage with a limit of \$2,000,000 per occurrence and per location aggregate. Automobile Liability insurance that covers a limit of \$2,000,000 per occurrence and limited vehicles and which is subject to a combined single limit per occurrence of \$2,000,000. Automobile Liability insurance includes Contractual Liability, but no special endorsements. Buyer expressly acknowledges and agrees that Seller has not in the past and entered into this Agreement in reliance upon the limitations of liability, insurance coverage, and other terms and conditions specified herein, which allocate the risk between Seller and Buyer and forms a basis of this bargain between the parties.

8. PATENTS AND COPYRIGHTS: Subject to the limitations of the second paragraph of Section 6 and any and all associated terms, conditions and documents incorporated by specific reference by Seller, Seller warrants that the Goods and/or Software sold, except as are made specifically for Buyer according to Buyer's specifications, do not infringe any valid U.S. patent or copyright in existence as of the date of this warranty. This warranty is given upon the condition that Buyer promptly notify Seller of any claim or suit involving Seller in which such infringement is alleged and Seller fully with Seller and permit Seller to control completely the defense, settlement or compromise of any such allegation of infringement. Seller's warranty as to utility patents only applies to infringement arising solely out of Buyer's operation according to Seller's specifications and instructions of such Goods and/or Software. In the event (i) such Goods and/or Software are held to infringe such a U.S. patent or copyright in such suit, and the use of such Goods and/or Software is enjoined, or (ii) a compromise or settlement is made by Seller, Seller shall have the right, at its option and expense, to procure for Buyer the right to continue using such Goods and/or Software, or replace them with non-infringing Goods and/or Software, or modify same to become non-infringing, or grant Buyer a credit for the depreciated value of such Goods and/or Software and accept return of them. In the event of the foregoing, Seller may choose, at its option, to cancel the agreement as to future deliveries of such Goods and/or Software, without liability. Except as otherwise provided herein, Seller or applicable third party licensor to Seller maintains all right, title and interest in and to the intellectual property in the Goods, Parts, and/or Software.

9. CAUSES OF PERFORMANCE: Seller shall not be liable for delays in performance or for non-performance due to acts of God, acts of Buyer, war, viral outbreaks, disease, pandemic, widespread sickness, or epidemic; fire; flood; weather; sabotage; strikes or labor disputes; civil disturbances or riots; governmental requests, restrictions, allocations, laws, regulations, orders or actions; unavailability of or delays in transportation; unavailability of or delays in the supply of materials, components, parts or labor required for the design and/or manufacture of Goods, Software or the performance by Seller hereunder; default of supplier; uniformed changes; acts or omissions of Buyer, or any events or causes beyond Seller's reasonable control. Delays or other performance may be excused for an indefinite period of time or canceled by Seller upon notice to Buyer in the event of any of the foregoing. If Seller determines that its ability to supply the total demand for the Goods, Parts, and/or Software, or to obtain material used directly or indirectly in the manufacture of the Goods, Parts, and/or Software, is hindered, halted or made impracticable due to causes set forth in this paragraph, Seller may delay or cancel performance, make equitable adjustments in Seller's price for the Goods, Parts, and/or Software, and/or allocate its available supply of the Goods, Parts, Software, and/or such material (without obligation to acquire other supplies of any such Goods, Parts, Software, or material) among its purchasers on such basis as Seller determines to be equitable without liability for any failure of performance which may result therefrom.

10. CANCELLATION: Buyer may cancel orders only upon thirty (30) days advance written notice and upon payment to Seller of Seller's cancellation charges which include, among other things, all costs and expenses incurred, and to cover commitments made by the Seller, and a reasonable profit thereon. Seller's determination of such cancellation charges shall be conclusive.

11. CHANGES: Buyer may request changes or additions to the Goods, Parts, and/or Software consistent with Seller's specifications and criteria. In the event such changes or additions are accepted by Seller, Seller may revise the price, license fees, and dates of delivery and/or performance dates. Seller reserves the right to change designs and specifications for the Goods, Parts, and/or Software without prior notice to Buyer, except with respect to Goods, Parts, and/or Software being made-to-order for Buyer. Seller shall have no obligation to install or make such change in any Goods, Parts, and/or Software manufactured prior to the date of such change.

12. NON-CLEARING MEDICAL, GOODS, PARTS, AND SOFTWARE SOLD HEREUNDER ARE NOT FOR USE IN CONNECTION WITH ANY NUCLEAR, MEDICAL, LIFE-SUPPORT AND RELATED APPLICATIONS. Buyer accepts Goods, Parts, and Software with the foregoing understanding, agrees to communicate the same in writing to any subsequent purchasers or users and to defend, indemnify and hold harmless Seller from any claims, losses, suits, judgments and damages, including incidental and consequential damages, arising from such use, whether the cause of action be based in tort, contract or otherwise, including obligations that the Seller's liability be based on negligence or strict liability.

13. ASSIGNMENT: Buyer shall not assign its rights or delegate its duties hereunder or any interest herein without the prior written consent of Seller, and any such assignment, without such consent, shall be void. Seller shall not assign its rights or delegate its duties hereunder or any interest herein without the prior written consent of Buyer, such consent shall not be unreasonably withheld, delayed, or conditioned; any such assignment, without such consent, shall be void.

14. SOFTWARE: Notwithstanding any other provision herein to the contrary, Seller or applicable third party licensor to Seller shall retain all rights of ownership and title in its respective Software, including without limitation all rights of ownership and title in its respective copies of such Software. Except as otherwise

provided herein, Buyer is hereby granted a non-exclusive, non-transferable royalty free license to use the Software incorporated into the Goods solely for purposes of Buyer properly utilizing such Goods purchased from Seller. All other Software shall be furnished to, and used by, Buyer only after execution of Seller's (or the Seller's) applicable standard license agreement, the terms of which are incorporated herein by reference.

15. **TOOLING:** Tool, die, and pattern charges, if any, are in addition to the price of the Goods and are due and payable upon completion of the tooling. All such tools, dies and patterns shall be and remain the property of Seller. Charges for tool, die, and pattern do not convey to Buyer, title, ownership interest in, or rights to possession or removal, or prevent their use by Seller for other purchasers, except as otherwise expressly provided by Seller and Buyer in writing with reference to this provision. Any tool, die, and pattern charges to be charged to the Buyer shall not be initiated without the written consent of the Buyer.

16. **DOCUMENTATION:** Seller shall provide Buyer with that documentation which is specifically identified in Seller's quotation. If additional copies of such documentation are to be provided by Seller, it shall be provided to Buyer at Seller's applicable prices then in effect.

17. **INSPECTION/TESTING:** Buyer, at its option and expense, may observe the inspection and testing by Seller of the Goods and/or Software for compliance with Seller's standard test procedures prior to shipment, which inspection and testing shall be conducted at Seller's plant at such reasonable time as is specified by Seller. Any rejection of the Goods and/or Software must be made promptly by Buyer before shipment. Tests shall be deemed to be satisfactorily completed and the test fully met when the Goods and/or Software meet Seller's criteria for such procedures. If Buyer does not inspect the Goods and/or Software at Seller's plant as provided herein, Buyer shall have ten (10) days from (i) the date of delivery of Goods, Parts, and/or Software and (ii) from the date of completion of each portion of the services to inspect the Goods, Parts, and/or Software, and in the event of any non-conformity, Buyer must give written notice to Seller within said period stating why the Goods, Parts, and/or Software are not conforming. Failure by Buyer to give such notice constitutes unequivocal acceptance of the Goods, Parts, and/or Software. Buyer's sole remedy for non-conforming services shall be correct performance of services incorrectly performed by Seller.

18. **RETURNED GOODS:** Advance written permission to return Goods, Parts, and/or Software must be obtained from Seller in accordance with Seller's then current Return Material Authorization (RMA) procedures and a return authorization number issued. Such Goods, Parts, and/or Software must be (i) current, unused, catalogued Goods, Parts, and/or Software, still in original packaging (ii) free of all liens, encumbrances, or other claims, and (iii) shipped, transportation prepaid, to Seller's specified location. Returns made without proper written permission will not be accepted by Seller. Seller reserves the right to inspect Goods, Parts, and/or Software prior to authorizing return.

19. **BILLABLE SERVICES:** Additional charges will be billed to Buyer, with Buyer's prior written consent, at Seller's then prevailing labor rates and Parts prices for any of the following: (a) any services not specified in Seller's quotation, Seller's order acknowledgment, Seller's scope of work, or other documents referenced herein and therein; (b) any services performed at times other than Seller's normal service hours; (c) if timely and reasonable site and/or equipment access is denied the Seller's service representative; (d) if it is necessary, due to local circumstances, to use union labor or hire an outside contractor, Seller's service personnel will provide supervision only and the cost of such union or contract labor will be charged to Buyer; (e) if service or repair is necessary to return equipment to proper operating condition as a result of other than Seller (i) maintenance, repair, or modification (including, without limitation, changes in specifications or incorporation of attachments or other features), (ii) misuse or neglect, including without limitation, failure to maintain facilities and equipment in a reasonable manner, (iii) failure to operate equipment in accordance with applicable specifications, and (iv) catastrophe, accident, or other causes external to equipment; (f) Seller's performance is made more burdensome or costly as a result of Buyer's failure to comply with its obligations herein, or (g) any additional obligations or requirements, including but not limited to those related to insurance requirements, service delivery, building entry or technical training.

20. **DRAWINGS:** Subject to public records law, Seller's documentation, prints and drawings (including without limitation, the underlying technology) furnished by Seller to Buyer in connection with this Agreement are the property of Seller and Seller retains all rights, including without limitation, exclusive rights of use, leasing and sale. Possession of such prints or drawings does not convey to Buyer any rights or license, and Buyer shall return all copies (in whatever medium) of such prints or drawings to Seller immediately upon request therefor. Notwithstanding the foregoing, Buyer may use the documentation, prints and drawings in connection with the use of the Goods, Parts, and/or Software.

21. **BUYER SUPPLIED DATA:** INTENTIONALLY OMITTED.

22. **EXPORT/IMPORT:** Buyer agrees that all applicable import and export control laws, regulations, orders and requirements, including without limitation those of the United States and the European Union, and the jurisdictions in which the Seller and Buyer are established or from which Goods, Parts, Software, and services may be supplied, will apply to their use and use. In no event shall Buyer use, transfer, release, export, import, Goods, Parts, or Software in violation of such applicable laws, regulations, orders or requirements.

23. **NON-SOLICITATION:** Buyer shall not solicit, directly or indirectly, or employ any employees of Seller during the period any Goods are being provided to Buyer and for a period of one (1) year after the last provision of Goods.

24. **GENERAL PROVISIONS:** This Agreement supersedes all other communications, negotiations and prior oral or written statements regarding the subject matter of this Agreement. No change, modification, rescission, discharge, abandonment, or waiver of these terms and conditions shall be binding upon the Seller unless made in writing and signed on its behalf by a duly authorized representative of Seller. No conditions, usage of trade, course of dealing or performance, understanding or agreement purporting to modify, vary, explain, or supplement this Agreement shall be binding unless hereinafter made in writing and signed by the party to be bound, and no modification or additional terms shall be applicable to this Agreement by Seller's receipt, acknowledgment, or acceptance of purchase orders, shipping instruction forms, or other documentation containing terms at variance with or in addition to those set forth herein. Any such modifications or additional terms are specifically rejected and deemed a material variation hereof. If this document shall be deemed an acceptance of a prior offer by Buyer, such acceptance is expressly conditional upon Buyer's assent to any additional or different terms set forth herein. Seller reserves the right to subcontract services to others. Its waiver by other party with respect to any breach or default of any right or remedy, and no course of dealing, shall be deemed to constitute a continuing waiver of any other breach or default of any other right or remedy, unless such waiver be expressed in writing and signed by the party to be bound. All typographical or clerical errors made by Seller in any quotation, acknowledgment or publication are subject to correction.

The validity, performance, and all other matters relating to the interpretation and effect of this Agreement shall be governed by the law of the state of Ohio without regard to its conflict of laws principles. Buyer and Seller agree that the proper venue for all actions arising in connection herewith shall be only in Ohio and the parties agree to submit to such jurisdiction. No action, regardless of form, arising out of transactions relating to this contract, may be brought by either party more than two (2) years after the cause of action has accrued. The U.N. Convention on Contracts for the International Sale of Goods shall not apply to this agreement.

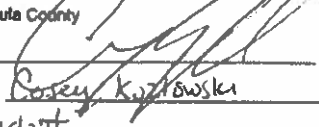

25. **DATA COLLECTION AND USE:** By using the Goods, Parts and/or Software, Buyer grants Seller, its affiliates, subsidiaries, and service providers, a non-exclusive, irrevocable, royalty free, worldwide right and license to collect, compile, retain, use, reproduce, and create derivative works of your non-personal information and data, which includes without limitation, all data, materials, reports, text, sound, video, image files, software or any other information ("Service Data") that is provided by, or on behalf of, Buyer, or collected or compiled by Seller, its affiliates, subsidiaries, or service providers through the Goods, Parts, and/or Software. Seller, its affiliates, subsidiaries, and service providers may collect, compile, retain, use,

reproduce, and create derivative works of Service Data: (i) to provide services, support, and maintenance; (ii) to develop and improve products, software, and services; and (iii) for scientific and technical research and marketing purposes. Buyer is solely responsible for the Service Data, and Buyer will secure and maintain all rights necessary for Seller, its affiliates, subsidiaries, and service providers to process and use Service Data as described in this paragraph without violating the rights of any third party or otherwise obligating Seller, its affiliates, subsidiaries, and service providers to Buyer or any third party. The Service Data will be aggregated with other information, materials, or data collected or compiled by, or provided to, Seller, its affiliates, subsidiaries, or service providers and anonymized, such that the Service Data will not intentionally reveal Buyer's identity. In accordance with applicable law, Service Data may be transferred, transmitted, or distributed to, stored, and processed in, cloud computing environments in the United States or any other country in which Seller, its affiliates, subsidiaries, or service providers maintain operations. By using the Goods, Parts, and/or Software, Buyer agrees to such use, transfer, transmission, distribution, storage, and processing of the Service Data. Seller, its affiliates, subsidiaries, and service providers will retain Service Data for as long as is necessary for Seller and its affiliates and subsidiaries business purposes in accordance with applicable law. The rights and license granted herein to Seller's service providers shall only be granted to the extent service providers are providing goods and services on Seller's and its affiliates and subsidiaries behalf.

26. **PRIVACY:** Seller will collect and process personal data of those employed by or otherwise affiliated with Buyer in accordance with Seller's Privacy Notice for Customers and Suppliers - California available here: [POLICY/NOTICE/PRIVACY](#) (the "Notice"), which Notice the Buyer hereby acknowledges having received, read, and understood. In the event of any queries or concerns with its contents, Buyer must contact Seller at the contact details provided in the Notice prior to entering into this Agreement or the commencement of performance hereunder. In failure of which, the terms of the Notice will be deemed accepted and consented to in their entirety.

27. **ADDITIONAL SERVICE CONDITIONS:** The Buyer shall furnish to Seller, at no cost, suitable working space, storage space, adequate heat, telephone, light, ventilation, regulated electric power and outlets for testing purposes. The facilities shall be within a reasonable distance from where the Goods are to be provided. Seller and its representatives shall have full and free access to the equipment in order to provide the necessary Goods. Buyer authorizes Seller to send a service technician or an authorized agent to access any site requested by Buyer to perform services, including services on different scopes of work and equipment as requested by Buyer. Buyer shall provide the means to shut-off and secure electric power to the equipment and provide safe working conditions. Seller is under no obligation to remove or dispose of Parts or equipment unless specifically agreed upon in Seller's scope of work. Buyer shall immediately inform Seller, in writing, of the time of order placement and thereafter, of any unsafe or hazardous substance or condition at the site, including, but not limited to, the presence of asbestos or asbestos-containing materials, and shall provide Seller with any applicable Material Data Safety Sheets regarding the same. Any losses, costs, damages, claims and expenses incurred by Seller as a result of Buyer's failure to so advise Seller shall be borne by Buyer. Seller, in its sole discretion and without cost or penalty, reserves the right to cancel its performance under this Agreement or any order immediately upon written notice to Buyer following Seller's discovery of unsafe or hazardous site substance or condition or any other circumstances altering Seller's performance hereunder. Buyer shall appoint a representative familiar with the site and the nature of Seller's performance to be accessible at all times that Seller personnel are at the site. Seller shall not be liable for any expenses incurred by Buyer in removing, replacing or refurbishing any Buyer equipment or any part of Buyer's building structure that restricts Seller access. Buyer personnel shall cooperate with and provide all necessary assistance to Seller. Seller shall not be liable or responsible for any work performed by Buyer.

28. **INDEMNITY:** Seller shall indemnify and hold Buyer harmless from loss, damage, liability or expense resulting from damage to personal property of a third party, or injuries, including death, to third parties to the extent caused by a negligent act or omission of Seller or Seller's subcontractors, agents or employees during performance of services hereunder. Such indemnification shall be reduced to the extent damage or injuries are attributable to others and in no event shall Seller be obligated to indemnify or insure Buyer for Buyer's own fault or negligence. Seller shall defend Buyer in accordance with and to the extent of the above indemnification, provided that Buyer is: (i) promptly notified by the other party, in writing, of any claims, demands or suits for such damages or injuries; (ii) given all reasonable information and assistance by Buyer; (iii) given full control over any resulting negotiation, arbitration or litigation, including the right to choose counsel and settle claims, or Seller's obligations herein shall be deemed waived.
