Re: Vision Plan Rate Review, Group V9860-0001, 0002, 0003, 0004, 0005, 0006, 0007

Dear Jessica Brundage,

Thank you for placing your confidence in DeltaVision®.

We have completed a comprehensive review of your vision plan premiums. Enclosed is a declaration page outlining the premiums applicable to your new contract period. Payment of the new rates will be your consent to renew the DeltaVision contract. No action is required from you at this time unless you wish to change the benefits you offer.

Also included is a benefit flyer to use as a quick reference guide to some of the benefits available under your current contract.

If your coverage or budget goals have changes, please contact Mr. Joseph Giangola or me for more plan design options. We can administer many different plan designs to suit your needs and provide you with a comprehensive analysis of how any changes would affect your rates. Benefit changes can be effective at your renewal, but you must request them no later than 15 days prior to your plan's renewal date.

This is a prepaid vision benefits program, so your group's first payment at these rates is due by January 1. If you do not wish to renew coverage, please provide notice to us in accordance with your Contract. Notwithstanding the above terms of this "evergreen" contract, all delinquent balances due to Delta Dental must be paid in full prior to acceptance on the above-mentioned renewal date. If there is a deficit at the time of your acceptance, Delta Dental reserves the right to revoke this offer and terminate your existing contract upon its natural expiration date.

Please call me at (216) 706-1209 if you have any questions or if I can be of help in any way. Thank you, we look forward to continuing our relationship with you and we greatly appreciate your business.

Sincerely,

Matthew J McPherson

Section II. Definitions

A. Contract

This document, including the Certificate and applicable Summary (ies) of Dental Plan Benefits (the terms of which are incorporated herein), and, if applicable, any appendices, supplements, riders, successor agreements, renewal letters, or renewals now or hereafter issued or executed.

B. Rate

The amount, per Enrollee and Enrollee classification, the Contractor agrees to pay Delta Dental® each month. This amount, or the information necessary to compute it, is specified in the Declarations Section.

C. License

A limited, non-transferable, non-exclusive, non-sublicensable, temporary license granted to Contractor by Delta Dental to access and use Delta Dental's web portals.

Any capitalized terms not defined herein are defined in the Certificate.

Section III. Eligibility

A. Eligibility Requirements and Waiting Periods for Members

Eligibility requirements and waiting periods for Members are set forth in the Certificate and the applicable Summary(ies) of Dental Plan Benefits.

B. General Eligibility Rules

No person will be eligible for Benefits under this Contract unless the Contractor has either currently enrolled that person as an Enrollee or currently listed or acknowledged that person as a Dependent. Contractor shall provide eligibility information in accordance with Section V.B. of this Contract.

C. Termination of Eligibility

Eligibility for Benefits will terminate for all Members under this Contract at the earlier of:

1. The termination of this Contract; or
2. Midnight of the last day of the month for which payment has been made if the Contractor fails to make the payments required by this Contract.

Eligibility of an individual Member will also terminate under the following circumstances:

1. The Member ceases to meet the definition of an Enrollee or a Dependent as defined by this Contract;
2. The Member fails to comply with the eligibility requirements of this Contract; or
3. The Member commits fraud or misrepresentation in the submission of any claim.

A Member whose eligibility is terminated may not continue group coverage under this Contract, except as required by the continuation coverage provisions of the Consolidated Omnibus Budget Reconciliation Act of 1985, or comparable, non-preempted state law ("COBRA"). An affiliate of Delta Dental also may offer coverage under an individual direct payment policy to a Member whose eligibility is terminated.

D. Continuation Coverage – COBRA

The other provisions of this Contract notwithstanding, eligibility for Benefits will continue for a person who is required to be provided with and elects continuation coverage pursuant to COBRA, provided:

1. Continuation coverage is required to be provided under COBRA, the person elects COBRA coverage and the Contractor notifies Delta Dental that the person is eligible for Benefits under COBRA. Not all employers are subject to the continuation coverage requirements contained in COBRA. For those that are not, this Section III.D. does not apply. Contractor should consult with its legal counsel to determine how and when the law applies.
2. Continuation coverage shall only be in effect up to the first day of the month after the person notifies the Contractor that

he or she no longer wants coverage from Delta Dental, the date a COBRA premium payment was due and was not remitted by the end of the COBRA Grace Period, or until the end of that person's continuation coverage period, whichever occurs first.

3. Further, if the Contractor fails to make payments required by this Contract, continuation coverage shall only remain in effect until the last day of the month for which payment has been made to Delta Dental by the Contractor; provided, however, that any payment for COBRA continuation coverage received during a period that is 30 days following the date the COBRA premium payment was due (the "COBRA Grace Period") will provide continuation coverage from the due date. A person's coverage may be retroactively reinstated for the 60-day COBRA "election" period if the Contractor pays the applicable Rate for the period within the 45-day period following the date of the COBRA election. Delta Dental may, at its sole option and without notice, continue coverage, if legally required.
4. Continuation coverage will not continue beyond the termination of this Contract.
5. The person who is receiving continuation coverage is responsible for the costs of any services provided after he or she is no longer eligible for continuation coverage under this Section III.D.
6. Contractor shall be solely responsible for identifying Members entitled to COBRA continuation coverage. Contractor shall provide all required notices, collect all necessary payments, and otherwise administer all facets of its COBRA program. In the event that Contractor continues to provide eligibility information to Delta Dental for a Member during the COBRA election period, as opposed to terminating coverage and then retroactively reinstating the Member upon the Member's election of COBRA coverage, Contractor shall be liable for any Benefits paid or Rates due during that period if the Member ultimately does not elect COBRA coverage.
7. The monthly Rate that must be paid on behalf of any person who is provided coverage under this Section III.D. will be based on the COBRA continuation coverage rates in effect during that month.
8. A person who continues coverage will be considered to be a Member under this Contract and the dental care certificate as long as coverage is provided under this Section III.D.
9. Delta Dental does not assume any of the obligations assigned by COBRA to the Contractor or any employer (including the obligation to notify potential beneficiaries of their rights or options under COBRA), and the Contractor agrees that it will perform those obligations in full.

E. Loss of Eligibility During Treatment

1. If a Member loses eligibility while receiving dental treatment, only Covered Services received while that person was eligible under the Contract will be payable.
2. Certain services begun before the loss of eligibility may be covered if they are completed within a 60-day period measured from the date of termination. In those cases, Delta Dental evaluates those services in progress to determine what portion may be paid by Delta Dental.

Section IV. Benefits

Delta Dental agrees to provide Benefits to Members in accordance with the terms and conditions set forth in this Contract and the policies and procedures of Delta Dental. Notwithstanding the foregoing, Contractor acknowledges that Delta Dental periodically updates its Certificates to account for CDT code changes issued by the American Dental Association and processing policy changes made by Delta Dental, and Contractor agrees that any such changes shall apply to this Contract provided that Delta Dental provides Contractor prior notice of any such changes. Such changes shall become effective as of the date indicated in such notice.

Section V. Agreements

A. Delta Dental Agrees:

1. To provide all claims processing, service, and administration of Benefits to Members of the Contractor subject to the terms and conditions of this Contract.
2. To provide to the Contractor, for submission to the Enrollee, a Certificate of the Benefits provided pursuant to this Contract.
3. To endeavor to enlist Dentists to become Participating Dentists in sufficient number to ensure an adequate choice of

Dentists, and to make periodic checks as to the adequacy of care provided by Dentists to Members covered by this Contract. Delta Dental is not required to provide a dental appointment to a Member.

4. To contractually require each Participating Dentist to schedule and render all dental treatment provided under this Contract according to the standards of the dental profession in the community in which the dental procedures are rendered.
5. Consistent with any applicable law protecting the confidentiality of a patient's health records, data, or information, to make standard reports available to the Contractor upon request for no additional charge and to provide agreed-to, non-standard reports on a time and materials basis.
6. To provide a copy of the Certificate, Summary(ies) of Dental Plan Benefits and Delta Dental's Notice of Privacy Practices to Contractor for distribution to Enrollees at the Contractor's or Plan Sponsor's expense.

B. Contractor Agrees:

1. Unless otherwise stated in the Declarations Section of this Contract, to pay Delta Dental the monthly Rate specified in the Declarations Section of this Contract as billed by Delta Dental, with no payment adjustments for updates not yet reflected on the monthly invoice. To ensure timely coverage, unless otherwise stated in the Declaration Section of this Contract, the amount to be paid will be due by the 5th of the month of the intended coverage. For example, the premium for April coverage is due on April 5th. If payment is not received by the due date, Delta Dental shall, at its sole discretion, have the right to suspend claims processing, unless otherwise stated in the Declaration Section of this Contract. Coverage will terminate effective the first day of the coverage month if Delta Dental receives no payment by the end of the coverage month.

Delta Dental may, at its sole option, send notification to the Contractor of an adjustment in Rates, Benefits, or Copayments to correct potential adverse group experience resulting from the following:

- a. Information provided upon enrollment proves to be in error; or
- b. Terms and provisions of the Contract are materially violated; or
- c. Initial size or composition of the group changes by ten 10% or more unless otherwise set forth in the Declarations section of this Contract; or
- d. Monthly invoices are not paid as billed.

Delta Dental will provide the Contractor written notice 30 days prior to implementing any adjustment. If the Contractor refuses to accept this adjustment, Delta Dental may, in its sole discretion, terminate this Contract.

2. To pay all premiums in accordance with subparagraph 1 above in full, irrespective of any Member contributions or COBRA payments. Delta Dental shall not be responsible for collecting Members' contributions or COBRA payments.
3. To enroll as Members with Delta Dental all eligible employees, retirees or members of the Contractor, including that employee's, retiree's or member's Dependents, who enroll for Benefits during the enrollment periods set forth in the Certificate. Contractor shall not enroll any employees, retirees or members of the Contractor, or any such person's Dependents, at any time other than during the enrollment periods set forth in the Certificate. Contractor shall provide to Delta Dental, in a format requested by Delta Dental, an initial enrollment file prior to the initial Effective Date of this Contract.
4. To provide Delta Dental with all eligibility data needed to process claims under this Contract. Eligibility data shall be provided in a timely manner, which in the case of electronic eligibility files shall in no event be less than monthly, and in the format requested by Delta Dental. Delta Dental will not accept additions, terminations, and/or retroactive eligibility updates more than six months after the date of a Member's change in eligibility. Notwithstanding the foregoing, if the Contractor requests that a Member's eligibility be terminated retroactively and a claim was incurred for that Member or any member of that Member's family after the requested termination date, eligibility for that Member and the Member's entire family will continue at the expense of the Contractor until the end of the month in which the claim was incurred. In no event will any Rate adjustments for time periods greater than six months be made for retroactive terminations, and no credits will be issued for any month in which claims were incurred.
5. To permit Delta Dental, by its auditors or other authorized representatives, on reasonable advance written notice, to inspect the Contractor's records to verify the accuracy of the eligibility data submitted to Delta Dental. In the event of a

discrepancy, Contractor agrees to reconcile any errors in payment with Delta Dental.

Section VI. General Provisions

- A. **Independent Contractors.** Dentists providing services are independent contractors, and neither the Contractor nor Delta Dental will be liable for any act or omission of any Dentist, his or her employees or agents, or any person providing dental or other professional services to Members.
- B. **Binding Effect.** All Members, by enrolling in This Plan, are bound by the terms and conditions of this Contract.
- C. **Payment Limitations.** Delta Dental will make no payment for services or supplies if a claim for such has not been received by Delta Dental within one year following the date the services or supplies were furnished.
- D. **Marketing Materials.** Except for those standard documents and materials Delta Dental generates to administer This Plan, neither Party shall publish or distribute any materials regarding This Plan without the prior written approval of the other Party.
- E. **Legal Action.** Unless otherwise prohibited by applicable state or federal law, no action or legal claim arising out of or related to this Contract shall be brought against Delta Dental unless Contractor, or the Member, has first provided Delta Dental with at least 60 days advance written notice of such claim. Notwithstanding the foregoing, in any event, no action shall be brought by either Party or a Member more than three years after the legal claim first arose, or after expiration of the applicable statute of limitations, whichever is shorter.
- F. **Dispute Resolution.** Delta Dental will establish procedures for resolving all questions raised by a Dentist, a Contractor, or a Member in regard to claims for Benefits allowed or denied under the terms of this Contract. These procedures will be used both for the initial determination of those questions and for the resolution of appeals made on the basis of those initial determinations. To the extent the benefit plan sponsored by the Contractor is governed by the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), the procedures established for determining the Benefits to which a Member is entitled will comply with the requirements set forth in ERISA Section 503 as applicable to a limited scope dental benefit plan, and the regulations thereunder, for providing a "full and fair review" of all benefit claims. The ERISA-required claims procedures will be set forth in detail in the Certificate that is to be distributed to Enrollees and that describes the Benefits under this Contract. All determinations made according to this procedure will be final and binding on the Dentist, the Contractor, and the Member; provided, however, that the Member may exercise his or her legal rights after this determination as described in the Claims Appeal Procedure contained in the Certificate.
- G. **Severability.** If any provision of this Contract is in violation of the laws of the State in which this Contract was issued, that provision shall be deemed to be void, but the invalidation of that provision will not otherwise impair or affect the rest of the Contract. When any provision in this Contract is in conflict with such laws, the rights, duties and obligations of Delta Dental, the Contractor and all Members shall be governed by such laws.
- H. **Compliance with Applicable Law.** This Contract is subject to change if, in the future, federal and state laws and regulations require Delta Dental or the Contractor to comply with such laws and regulations. Should any such change to this Contract be necessary by law, the Contractor will receive written notice from Delta Dental informing the Contractor of the reasons for any change to the Contract and the process by which the Contractor will receive an amended Contract.
- I. **Additional Services.** Delta Dental may from time to time provide additional services or coverage by rider or other notice. Delta Dental may withdraw those services or coverage at any time after giving notice.
- J. **Notices.** Any notice required or permitted to be given by this Contract will be considered given if in writing and personally delivered, or if in writing and deposited in the United States mail with postage prepaid, addressed to the person at their last address of record.
- K. **Amendment and Assignment.** No agent has authority to change any part of this Contract. No changes to this Contract will be valid unless both Parties approve them in writing. Delta Dental shall have the discretion to assign its rights and responsibilities under this Contract to an affiliated entity. If Delta Dental chooses to assign its rights and responsibilities, it shall assign them to an appropriately

licensed entity capable of performing similar functions at similar levels as Delta Dental. Delta Dental shall serve written notice of the assignment to Contractor and said notice shall provide the name and address of the assignee. Neither this Contract nor any part of it shall be assigned by Contractor without the prior written consent of Delta Dental, and any attempt at assignment by Contractor without such consent by Delta Dental shall be null and void. Subject to the foregoing limitation, this Contract shall be binding upon the parties and their respective successors and assigns.

- L. Subrogation. To the extent that This Plan provides or pays Benefits for Covered Services, Delta Dental is subrogated to any right the Member may have to recover from another, his or her insurer, or under his or her "Medical Payments" coverage or any "Uninsured Motorist," "Underinsured Motorist," or other similar coverage provisions.
- M. Right of Recovery Due to Fraud. If Delta Dental pays for services or supplies that were sought or received under fraudulent, false, or misleading pretenses or circumstances, pays a claim that contains false or misrepresented information, or pays a claim that is determined to be fraudulent due to the acts of the Contractor, and/or Member, it may recover that payment from the person or entity that committed such fraud. Delta Dental may recover any payment determined to be based on false, fraudulent, misleading, or misrepresented information by deducting that amount from any payments properly due to the person(s) or entity(ies) that committed such fraud. Delta Dental will provide an explanation of the payment being recovered at the time the deduction is made.
- N. Force Majeure. Unless otherwise stated in the Declarations Section of this Contract, neither Delta Dental (including its agents, directors, officers, and employees) nor Contractor shall be liable for delays in performance due to circumstances beyond their reasonable control. Each Party shall be excused from performance under this Contract and shall have no liability to the other Party for any period during which it is prevented from performing any of its obligations (other than payment obligations), in whole or in part, as a result of delays caused by the other Party or by an act of God, war, terrorism, civil unrest, civil disturbance, court order, labor dispute, or other cause beyond its reasonable control, and such nonperformance shall not be a default under or grounds for termination of this Contract. Notwithstanding the foregoing, Force Majeure shall not excuse Contractor's payment obligations under this Contract.
- O. Assignment of Benefits. Unless otherwise stated in the Declarations Section of this Contract, Benefits to Members are for the personal benefit of those Members and cannot be transferred or assigned; provided, however, Delta Dental shall pay Participating Dentists directly on behalf of Members.
- P. Governing Laws. This Contract will be governed by and interpreted under the laws of the State of Ohio.
- Q. Legally Mandated Benefits. If any applicable law requires broader coverage or more favorable treatment for a Member than is provided by this Contract, that law shall control over the language of this Contract.
- R. Entire Agreement. This Contract constitutes the entire agreement between the Parties.
- S. Effect of Errors on Coverage. Typographical or administrative errors shall not deprive a Member of Benefits. Neither shall such errors create any rights to additional benefits not in accordance with all of the terms, conditions, limitations, and exclusions of this Contract.
- T. Bankruptcy or Insolvency. Contractor shall notify Delta Dental immediately in the event of bankruptcy or other insolvency. Delta Dental reserves all rights and remedies with respect to the Contractor's bankruptcy or other insolvency, including but not limited to, the right to automatically terminate or modify performance under this Contract to the extent permitted by applicable law.
- U. Other Goods and Services. From time to time, Delta Dental may offer or provide Members certain goods and services, including discounts on dental services provided by Participating Dentists in addition to the dental coverage (including without limitation toothbrushes, dental floss and other oral hygienic devices/products). Delta Dental also may arrange for third-party vendors to provide goods and services at a discount to Members. Though Delta Dental may make the arrangements, the third-party vendors are solely liable for providing the goods and services. Delta Dental shall not be responsible for providing or failing to provide the goods and services to Members. Further, Delta Dental shall not be liable to Members for negligent provision of the goods and services by third-party vendors. Delta Dental reserves the right to terminate or change these goods or services at any time.
- V. Web Portal License.
 - 1. Delta Dental grants to Contractor the License to access and use Delta Dental's web portals solely for the purpose of administering and/or viewing Member Benefits as set forth in this Contract, subject to any additional terms and conditions appearing on such web portals. Under this license grant, Contractor's Members are permitted to access and use Member Portal, and Contractor and its officers, directors, employees, contractors and agents are permitted to access and use Benefit Manager Toolkit as necessary solely for the purposes of administering Contractor's dental plan. Access to Member Portal and Benefit Manager Toolkit shall be limited to individuals located within the United States and Canada.

2. Contractor is solely responsible for managing access to the web portals, for securing the usernames and passwords of its, officers, directors, employees, contractors, agents and Members ("End Users") who use or access such web portals, and for any violation of this Contract by any such End Users. Delta Dental shall not be liable for Contractor's or Contractor's End Users' failure to properly secure their usernames or passwords and, unless otherwise exempt by law, Contractor shall hold harmless Delta Dental its affiliates, members, officers, employees and agents from and against any and all losses, claims, damages, liabilities, costs, and expenses (including reasonable attorneys' fees and expenses related to the defense of any claims) resulting from or arising out of (i) Contractor's, or Contractor's End Users', failure to properly manage access or secure usernames and passwords, (ii) any breach of this Contract by Contractor or its End Users; or (iii) any negligent or willful misuse of Delta Dental's web portals by Contractor or its End Users.
3. Contractor agrees that, to the extent its End Users will be entering eligibility data into Benefit Manager Toolkit on Contractor's behalf, Contractor shall be solely responsible for the accuracy and completeness of the eligibility data entered. Unless otherwise exempt by law, Contractor shall hold harmless Delta Dental its affiliates, members, officers, employees and agents from and against any and all losses, claims, damages, liabilities, costs, and expenses (including reasonable attorneys' fees and expenses related to the defense of any claims) resulting from or arising out of any eligibility data entered by Contractor's End Users.
4. Contractor acknowledges that Delta Dental's web portals permit individuals to view and access Protected Health Information ("PHI"), as that term is defined by the Health Insurance Portability and Accountability Act ("HIPAA"). Contractor therefore certifies that, when using the web portals, it and its End Users will abide by the provisions of HIPAA and all other applicable laws. As such, Contractor agrees that it and its End Users shall access and use Delta Dental's web portals for the sole purpose of viewing their own Benefits and/or performing plan administration functions on behalf of Contractor.
5. Contractor recognizes and agrees that Delta Dental retains sole title, right and interest in the intellectual property rights of its web portals including, but not limited to, any applicable patents, trademarks and/or copyrights. Contractor understands that the license granted herein transfers neither title nor proprietary rights to Contractor with respect to any web portals. As such, neither Contractor nor any of its End Users shall attempt to reproduce, modify, reverse assemble, reverse compile or reverse engineer the source code of Delta Dental's web portals.
6. Delta Dental reserves the right to terminate this license grant at any time with or without cause. This license grant shall terminate immediately upon termination of the Contract.

Section VII. Coordination of Benefits

All Benefits under this Contract shall be subject to the coordination of benefits provision set forth in the Certificate.

Section VIII. Term and Termination

This Contract shall remain in full force and effect for the initial term commencing on the Effective Date and continuing until the First Renewal Date, as specified in the Declarations Section. Thereafter, the Contract may be renewed for subsequent terms as specified in the Declarations Section or in a renewal letter, unless Contractor or Delta Dental provides written notice of its intent not to renew at least 30 days prior to the expiration of the then current term. Delta Dental shall have the option of terminating this Contract if:

- A. The Contractor fails to make a required payment before expiration of the Grace Period specified; or
- B. Delta Dental cancels pursuant to Section V.B.1 of this Contract; or
- C. The size of the group changes by 10% or more, or the composition of the group materially changes from the time of initial application, and Delta Dental elects not to exercise its rating rights as set forth in Section V.B.1; or
- D. The Contractor permits Enrollees and/or Dependents to enroll in This Plan outside of the Open Enrollment Period and/or the Special Enrollment Periods set forth in the Certificate; or
- E. The Contractor has otherwise materially breached this Contract.

Unless otherwise stated in the Declarations Section of this Contract, the Contractor may terminate this Contract without cause by providing Delta Dental with 30 days' prior written notice.

Upon termination of this Contract, the Contractor is liable to Delta Dental for any Rate that was then due and unpaid. In the event this Contract terminates mid-month, Contractor shall be liable to Delta Dental for all premiums due and owing through the end of the month in which termination occurs.

Section IX. Confidentiality and Disclosure

- A. The Parties acknowledge that in the course of performing under this Contract each Party may be provided with or given access to information, in oral, recorded or written form, that is proprietary and confidential to the other Party (collectively referred to as the "Confidential Information"). Such Confidential Information includes, but is not limited to: information regarding the other Party's management, business, organizational structure, policies, procedures, business relationships, intellectual property, copyrights, patents, trademarks, software, data, databases, system designs, specifications, documentation, code, architecture, structure, algorithms, techniques, processes, protocols, product materials, notes, slides, ideas, Maximum Approved Fees, Allowed Amounts, preferred provider reports, actuarial formulas, providers' personal information, and financial terms of this Contract.
- B. Confidential Information shall not include any information that:
1. Is already known to the Party at the time of the disclosure (as evidenced by written documentation existing at that time);
 2. Is generally available to the public or becomes publicly known through no wrongful act of a Party; or
 3. Is received by a Party from a third-party who had a legal right to provide it (as evidenced by written documentation existing at that time).
- C. The Parties each will make all reasonable, necessary and appropriate efforts to safeguard each other's Confidential Information. Each Party will safeguard the other's Confidential Information to the same extent that it safeguards information relating to its own business, which in no event will be less than the safeguards that a reasonably prudent business would exercise under similar circumstances.
- D. Each Party agrees not to use, distribute or exploit each other's Confidential Information, in whole or in part, for its own benefit or that of any third party and will not disclose such Confidential Information to any other person or entity without each other's prior written consent. A Party shall be responsible for any breach of this Contract by its employees, authorized subcontractors, agents or representatives.
- E. Notwithstanding anything to the contrary in this Section, the Parties shall be permitted to disclose Confidential Information as required by order of a court of law, administrative agency, or other governmental body; provided, however, the Party shall provide reasonable advance written notice to the other Party to the extent allowed by law in order to allow that Party the opportunity to seek a protective order or otherwise limit such disclosure, and the disclosing Party shall reasonably cooperate with the other Party to limit any such disclosure or to seek a protective order. If a Party is nonetheless required to disclose the other Party's Confidential Information, said Party shall only disclose the minimum information necessary to respond to the legal request. Notwithstanding the foregoing, Delta Dental shall not be required to provide Contractor notice prior to responding to governmental agency subpoenas regarding potential provider fraud or abuse.

Pre-Treatment Estimate

A voluntary and optional process where Delta Dental issues a written estimate of dental benefits that may be available under your coverage for your proposed dental treatment. Your Dentist submits the proposed dental treatment to Delta Dental in advance of providing the treatment.

A Pre-Treatment Estimate is for informational purposes only and is not required before you receive any dental care. It is not a prerequisite or condition for approval of future dental benefits payment. You will receive the same Benefits under This Plan whether or not a Pre-Treatment Estimate is requested. The benefits estimate provided on a Pre-Treatment Estimate notice is based on benefits available on the date the notice is issued. It is not a guarantee of future dental benefits or payment.

Availability of dental benefits at the time your treatment is completed depends on several factors. These factors include, but are not limited to, your continued eligibility for benefits, your available annual or lifetime Maximum Payments, any

coordination of benefits, the status of your Dentist, This Plan's limitations and any other provisions, together with any additional information or changes to your dental treatment. A request for a Pre-Treatment Estimate is not a Claim or a preauthorization, precertification or other reservation of future Benefits.

Pre-Treatment Estimate

A Pre-Treatment Estimate is not required to receive payment, but it allows Claims to be processed more efficiently and allows you to know what services may be covered before your Dentist provides them. You and your Dentist should review your Pre-Treatment Estimate Notice before treatment. Once treatment is complete, the dental office will submit a Claim to Delta Dental for payment.

Written Notice of Claim and Time of Payment

Because the amount of your Benefits is not conditioned on a Pre-Treatment Estimate decision by Delta Dental, all Claims under This Plan are post-service Claims. All Claims for Benefits must be filed with Delta Dental within one year of the date the services were completed. Once a Claim is filed, Delta Dental will adjudicate it within 30 days of receiving it. If there is not enough information to adjudicate your Claim, Delta Dental will notify you or your Dentist within 30 days. The notice will (a) describe the information needed, (b) explain why it is needed, (c) request an extension of time in which to decide the Claim, and (d) inform you or your Dentist that the information must be received within 45 days or your Claim will be Denied if the services were performed by a Non-Participating Dentist, or not chargeable to the Member if the services were performed by a Participating Dentist. You will receive a copy of any notice sent to your Dentist. Once Delta Dental receives the requested information, it has 15 days to adjudicate your Claim. If you or your Dentist does not supply the requested information, Delta Dental will deny your Claim. In such case, you will be responsible for all charges if the services were performed by a Non-Participating Dentist. If the services were performed by a Participating Dentist, the services will not be chargeable to the Member. Once Delta Dental adjudicates your Claim, it will notify you within five days.

Authorized Representative

You may also appoint an authorized representative to deal with Delta Dental on your behalf with respect to any Claim you file or any review of a Denied Claim you wish to pursue (see the Claims Appeal Procedure section). You should contact your Contractor, call Delta Dental's Customer Service department, toll-free, at 800-524-0149, or write them at P.O. Box 9089, Farmington Hills, Michigan, 48333-9089, to request a form to designate the

person you wish to appoint as your representative. Delta Dental will only recognize the person whom you have authorized on the last dated form filed with Delta Dental. Once you have appointed an authorized representative, Delta Dental will communicate directly with your representative and will not inform you of the status of your Claim. You will have to get that information from your representative. If you have not designated a representative, Delta Dental will communicate directly with you.

12. A sealant, sealant repair, preventive resin restoration or interim caries arresting medicament is not payable when done on the same day as restorations involving the occlusal surface when performed by the same office.
13. A sealant, sealant repair or preventive resin restoration is not payable when performed within 24 months of a sealant, sealant repair or preventive resin restoration performed on the same tooth.

14. One caries risk assessment is allowed on the same date of service.
15. One caries risk assessment is allowed within a 12-month period when done by the same dentist/dental office.
16. Restorations placed within six months of the application of hydroxyapatite regeneration medicament are not payable when performed by the same dentist or dental office.
17. One assessment of salivary flow by measurement is allowed within a 12-month period when done by the same dentist/dental office
18. Processing policies may otherwise limit payment by Delta Dental for services or supplies.

IX. Coordination of Benefits

Coordination of Benefits ("COB") applies to This Plan when a Person has health care coverage under more than one plan. "Plan" is defined below.

The order of benefit determination rules govern the order in which each Plan will pay a claim for benefits. The Plan that pays first is called the Primary Plan. The Primary Plan must pay benefits in accordance with its policy terms without regard to the possibility that another Plan may cover some expenses. The Plan that pays after the Primary Plan is the Secondary Plan. The Secondary Plan may reduce the benefits it pays so that payments from all Plans does not exceed 100 percent of the total Allowable Expense.

Definitions

Plan

A Plan is any of the following that provides benefits or services for medical or dental care or treatment. If separate contracts are used to provide coordinated coverage for members of a group, the separate contracts are considered parts of the same Plan and there is no COB among those separate contracts.

1. Plan includes: group and non-group insurance contracts, health insuring corporation ("HIC") contracts, Closed Panel Plans or other forms of group or group-type coverage (whether insured or uninsured); medical care components of long-term care contracts, such as skilled nursing care; medical benefits under group or individual automobile contracts; and Medicare or any other federal governmental plan, as permitted by law.
2. Plan does not include: hospital indemnity coverage or other fixed indemnity coverage; accident only coverage; specified disease or specified accident coverage; supplemental coverage as described in Revised Code sections 3923.37 and 1751.56; school accident type coverage; benefits for non-medical components of long-term care policies; Medicare supplement policies; Medicaid policies; or coverage under other federal governmental plans, unless permitted by law.

Each contract for coverage under (1) or (2) above is a separate Plan. If a Plan has two parts and COB rules apply

only to one of the two, each of the parts is treated as a separate Plan.

This Plan

For purposes of this Article IX, This Plan means, the part of the contract providing the health care benefits to which the COB provision applies and which may be reduced because of the benefits of other Plans. Any other part of the contract providing health care benefits is separate from This Plan. A contract may apply one COB provision to certain benefits, such as dental benefits, coordinating only with similar benefits, and may apply another COB provision to coordinate other benefits.

Order of Benefit Determination Rules

The Order of Benefit Determination Rules determine whether This Plan is a Primary Plan or Secondary Plan when the person has health care coverage under more than one Plan.

When This Plan is primary, it determines payment for its Benefits first before those of any other Plan without considering any other Plan's Benefits. When This Plan is secondary, it determines its Benefits after those of another Plan and may reduce the Benefits it pays so that all Plan benefits do not exceed 100 percent of the total Allowable Expense.

Allowable Expense

Allowable Expense is a health care expense, including deductibles, coinsurance and copayments, that is covered at least in part by any Plan covering the person. When a Plan provides benefits in the form of services, the reasonable cash value of each service will be considered an Allowable Expense and a benefit paid. An expense that is not covered by any Plan covering the person is not an Allowable Expense. In addition, any expense that a provider by law or in accordance with a contractual agreement is prohibited from charging a covered person is not an Allowable Expense.

The following are examples of expenses that are not Allowable Expenses:

1. The difference between the cost of a semi-private hospital room and a private hospital room is not an Allowable Expense, unless one of the Plans provides coverage for private hospital room expenses.
2. If a person is covered by two or more Plans that compute their benefit payments on the basis of usual and customary fees or relative value schedule reimbursement methodology or other similar reimbursement methodology, any amount in excess of the highest reimbursement amount for a specific benefit is not an Allowable Expense.
3. If a person is covered by two or more Plans that provide benefits or services on the basis of negotiated fees, an amount in excess of the highest of the negotiated fees is not an Allowable Expense.
4. If a person is covered by one Plan that calculates its benefits or services on the basis of usual and customary

fees or relative value schedule reimbursement methodology or other similar reimbursement methodology and another plan that provides its benefits or services on the basis of negotiated fees, the Primary Plan's payment arrangement shall be the Allowable Expense for all Plans.

5. The amount of any benefit reduction by the Primary Plan because a covered person has failed to comply with the Plan provisions is not an Allowable Expense. Examples of these types of plan provisions include second surgical opinions, precertification of admissions, and preferred provider arrangements.

Closed Panel Plan

Closed Panel Plan is a Plan that provides health care benefits to covered persons primarily in the form of services through a panel of providers that have contracted with or are employed by the Plan, and that excludes coverage for services provided by other providers, except in cases of emergency or referral by a panel member.

Custodial Parent

Custodial Parent is the parent awarded custody by a court decree or, in the absence of a court decree, is the parent with whom the Child resides more than one half of the calendar year excluding any temporary visitation.

Order of Benefits Determination Rules

When a person is covered by two or more Plans, the rules for determining the order of benefit payments are as follows:

1. The Primary Plan pays or provides its benefits according to its terms of coverage and without regard to the benefits under any other Plan.
2. Except as provided in paragraph 3 below, a Plan that does not contain a COB provision that is consistent with Ohio regulation is always primary unless the provisions of both Plans state that the complying Plan is primary.
3. Coverage that is obtained by virtue of membership in a group that is designed to supplement a part of a basic package of benefits and provides that this supplementary coverage shall be excess to any other parts of the Plan provided by the contract holder. Examples of these types of situations are major medical coverages that are superimposed over base Plan hospital and surgical benefits, and insurance type coverages that are written in connection with a Closed Panel Plan to provide out-of-network benefits.
4. A Plan may consider the benefits paid or provided by another Plan in calculating payment of its benefits only when it is secondary to that other Plan.
5. Each Plan determines its order of benefits using the first of the following rules that apply:

Non-Dependent or Dependent. The plan that covers the Person other than as a dependent, for example as an employee, member, policyholder, subscriber or retiree is

the Primary Plan and the plan that covers the person as a dependent is the Secondary Plan. However, if the Person is a Medicare beneficiary and, as a result of federal law, Medicare is secondary to the Plan covering the person as a dependent, and primary to the Plan covering the person as other than a dependent (e.g. a retired employee), then the order of benefits between the two Plans is reversed so that the Plan covering the person as an employee, member, policyholder, subscriber or retiree is the Secondary Plan and the other Plan is the Primary Plan.

Dependent Child covered under more than one Plan.

Unless there is a court decree stating otherwise, when a dependent Child is covered by more than one Plan the order of benefits is determined as follows:

- a. For a dependent Child whose parents are married or are living together, whether or not they have ever been married:
 - ◆ The Plan of the parent whose birthday falls earlier in the calendar year is the Primary Plan; or
 - ◆ If both parents have the same birthday, the Plan that has covered the parent the longest is the Primary Plan.

However, if one spouse's Plan has some other coordination rule (for example, a "gender rule" which says the father's Plan is always primary), we will follow the rules of that Plan.

- b. For a dependent Child whose parents are divorced or separated or not living together, whether or not they have ever been married:
 - ◆ If a court decree states that one of the parents is responsible for the dependent Child's health care expenses or health care coverage and the Plan of that parent has actual knowledge of those terms, that Plan is primary. This rule applies to plan years commencing after the Plan is given notice of the court decree;
 - ◆ If a court decree states that both parents are responsible for the dependent Child's health care expenses or health care coverage, the provisions of subparagraph (a) above shall determine the order of benefits;
 - ◆ If a court decree states that the parents have joint custody without specifying that one parent has responsibility for the health care expenses or health care coverage of the dependent Child, the provisions of subparagraph (a) above shall determine the order of benefits; or
 - ◆ If there is no court decree allocating responsibility for the dependent Child's health care expenses or health care coverage, the order of benefits for the Child are as follows:

- (1) The Plan covering the Custodial Parent;
- (2) The Plan covering the spouse of the Custodial Parent;
- (3) The Plan covering the non-custodial parent; and then
- (4) The Plan covering the spouse of the non-custodial parent.

- c. For a dependent Child covered under more than one Plan of individuals who are not the parents of the Child, the provisions of subparagraph (a) or (b) above shall determine the order of benefits as if those individuals were the parents of the Child.

Active employee or retired or laid-off employee.

The Plan that covers a person as an active employee, that is, an employee who is neither laid off nor retired, is the Primary Plan. The Plan covering that same person as a retired or laid-off employee is the Secondary Plan. The same would hold true if a person is a dependent of an active employee and that same person is a dependent of a retired or laid-off employee. If the other Plan does not have this rule, and as a result, the Plans do not agree on the order of benefits, this rule is ignored. This rule does not apply if the rule labeled "Non-Dependent or Dependent" can determine the order of benefits.

COBRA or state continuation coverage. If a person whose coverage is provided pursuant to COBRA or under a right of continuation provided by state or other federal law is covered under another Plan, the Plan covering the person as an employee, member, subscriber, or retiree or covering the person as a dependent of an employee, member, subscriber, or retiree is the Primary Plan and the COBRA or state or other federal continuation coverage is the Secondary Plan. If the other Plan does not have this rule, and as a result, the Plans do not agree on the order of benefits, this rule is ignored. This rule does not apply if the rule labeled "Non-Dependent or Dependent" can determine the order of benefits.

Longer or shorter length of coverage. The Plan that covered the person as an employee, member, policyholder, subscriber, or retiree longer is the Primary Plan and the Plan that covered the person the shorter period of time is the Secondary Plan.

If the preceding rules do not determine the order of benefits, the Allowable Expenses shall be shared equally between the Plans meeting the definition of Plan. In addition, This Plan will not pay more than it would have paid had it been the primary plan.

Effect on the Benefits of This Plan

When This Plan is secondary, it may reduce its Benefits so that the total benefits paid or provided by all Plans during a plan year are not more than the total Allowable Expenses. In determining the amount to be paid for any claim, the Secondary Plan will calculate the benefits it would have paid

in the absence of other health care coverage and apply that calculated amount to any Allowable Expense under its Plan that is unpaid by the Primary Plan. The Secondary Plan may then reduce its payment by the amount so that, when combined with the amount paid by the Primary Plan, the total benefits paid or provided by all Plans for the claim do not exceed the total Allowable Expense for that claim. In addition, the Secondary Plan shall credit to its Plan deductible any amounts it would have credited to its deductible in the absence of other health care coverage.

If a covered person is enrolled in two or more Closed Panel Plans and if, for any reason, including the provision of service by a non-panel provider, Benefits are not payable by one Closed Panel Plan, COB shall not apply between that Plan and other Closed Panel Plans.

Right to Receive and Release Needed Information

Certain facts about health care coverage and services are needed to apply these COB rules and to determine benefits payable under This Plan and other Plans. Delta Dental may get the facts it needs from or give them to other organizations or persons for the purpose of applying these rules and determining benefits payable under This Plan and other Plans covering the person claiming benefits. Delta Dental need not tell, or get the consent of, any person to do this. Each person claiming Benefits under This Plan must give Delta Dental any facts it needs to apply those rules and determine Benefits payable.

Facility of Payment

A payment made under another plan may include an amount that should have been paid under This Plan. If it does, Delta Dental may pay that amount to the organization that made that payment.

That amount will then be treated as though it were a Benefit paid under This Plan. Delta Dental will not have to pay that amount again. The term "payment made" includes providing benefits in the form of services, in which case "payment made" means the reasonable cash value of the benefits provided in the form of services.

Right of Recovery

If the amount of the payments made by Delta Dental is more than it should have paid under this COB provision, it may recover the excess from one or more of the persons it has paid or for whom it has paid, or any other person or organization that may be responsible for the benefits or services provided for the covered person. The "amount of the payments made" includes the reasonable cash value of any benefits provided in the form of services.

Coordination Disputes

If you believe that we have not paid a claim properly, you should first attempt to resolve the problem by contacting us. You or your Dentist should contact Delta Dental's Customer Service department and ask them to check the claim to make sure it was processed correctly. You may do this by calling the toll-free

number, 800-524-0149, and speaking to a telephone advisor. You may also mail your inquiry to the Customer Service Department at P.O. Box 9089, Farmington Hills, Michigan, 48333-9089. You may also follow the Claims Appeal Procedure below. If you are still not satisfied, you may call the Ohio Department of Insurance for instructions on filing a consumer complaint. Call 1-800-686-1526 or visit the Department's website at <http://insurance.ohio.gov>.

X. Reconsideration and Claims Appeal Procedure

Reconsideration

If you receive notice of an Adverse Benefit Determination and you think that Delta Dental incorrectly denied all or part of your Claim, you or your Dentist may contact Delta Dental's Customer Service department and ask them to reconsider the Claim to make sure it was processed correctly. You may do this by calling the toll-free number, 800-524-0149, and speaking to a telephone advisor. You may also mail your inquiry to the Customer Service Department at P.O. Box 9089, Farmington Hills, Michigan, 48333-9089.

When writing, please enclose a copy of your explanation of benefits and describe the problem. Be sure to include your name, telephone number, the date, and any information you would like considered about your Claim.

A request for reconsideration is not required and should not be considered a formal request for review of a denied Claim. Delta Dental provides this opportunity for you to describe problems or submit an explanation or additional information that might indicate your Claim was improperly denied, and allow Delta Dental to correct any errors quickly and immediately.

Whether or not you have asked Delta Dental informally to reconsider its initial determination, you can request a formal review using the Formal Claims Appeal Procedure described below.

Formal Claims Appeal Procedure

If you receive notice of an Adverse Benefit Determination, you, or your Authorized Representative, should seek a review as soon as possible, but **you must file your request for review within 180 days** of the date that you received that Adverse Benefit Determination.

To request a formal review of your Claim, send your request in writing to:

**Dental Director
Delta Dental
P.O. Box 30416
Lansing, Michigan 48909-7916**

Please include your name and address, the Enrollee's Member ID, the reason why you believe your Claim was wrongly denied, and any other information you believe supports your Claim. You also have the right to review the contract between Delta Dental and the Contractor and any documents related to it. If you would like a record of your request and proof that Delta Dental received it, mail your request certified mail, return receipt requested.

The Dental Director or any person reviewing your Claim will not be the same as, nor subordinate to, the person(s) who initially decided your Claim. The reviewer will grant no deference to the prior decision about your Claim. The reviewer will assess the information, including any additional information that you have provided, as if he or she were deciding the Claim for the first time. The reviewer's decision will take into account all comments, documents, records and other information relating to your Claim even if the information was not available when your Claim was initially decided.

If the decision is based, in whole or in part, on a dental or medical judgment (including determinations with respect to whether a particular treatment, drug, or other item is experimental, investigational, or not medically necessary or appropriate), the reviewer will consult a dental health care professional with appropriate training and experience, if necessary. The dental health care professional will not be the same individual or that person's subordinate consulted during the initial determination.

The reviewer will make a determination within 60 days of receipt of your request. If your Claim is denied on review (in whole or in part), you will be notified in writing. The notice of an Adverse Benefit Determination during the Formal Claims Appeal Procedure will meet the requirements described below.

Manner and Content of Notice

Your notice of an Adverse Benefit Determination will inform you of the specific reasons(s) for the denial, the pertinent plan provisions(s) on which the denial is based, the applicable review procedures for dental Claims, including time limits and that, upon request, you are entitled to access all documents, records and other information relevant to your Claim free of charge. This notice will also contain a description of any additional materials necessary to complete your Claim, an explanation of why such materials are necessary, and a statement that you have a right to bring a civil action in court if you receive an Adverse Benefit Determination after your Claim has been completely reviewed according to this Formal Claims Appeal Procedure. The notice will also reference any internal rule, guideline, protocol, or similar document or criteria relied on in making the Adverse Benefit Determination, and will include a statement that a copy of such rule, guideline or protocol may be obtained upon request at no charge. If the Adverse Benefit Determination is based on a matter of medical judgment or medical necessity, the notice will also contain an explanation of the scientific or clinical judgment on which the determination was based, or a statement that a copy of the basis for the scientific or clinical judgment can be obtained upon request at no charge.

If you are still not satisfied, you may contact the Ohio Department of Insurance for instructions on filing a consumer complaint by calling 614-644-2673 or 800-686-1526. You may also write to the Consumer Services Division of the Ohio Department of Insurance, 50 W. Town St., Third Floor, Suite

300, Columbus, Ohio, 4321543215 or visit the Department's website at <http://insurance.ohio.gov>.

XI. Termination of Coverage

Your Delta Dental coverage may automatically terminate:

- ◆ When the Contractor advises Delta Dental to terminate your coverage.
- ◆ On the first day of the month for which the Contractor has failed to pay Delta Dental.
- ◆ For fraud or misrepresentation in the submission of any Claim.
- ◆ For your Dependent, when they no longer qualify as a Dependent.
- ◆ For any other reason stated in the Contract between Delta Dental and the Contractor.

Delta Dental will not continue eligibility for any person covered under This Plan beyond the termination date requested by the Contractor. A person whose eligibility is terminated may not continue group coverage under this Certificate, except as required by the continuation coverage provisions of the Consolidated Omnibus Budget Reconciliation Act of 1985 or comparable, non-preempted state law ("COBRA").

XII. Continuation of Coverage

If the Contractor is required to comply with COBRA and the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") and your dental coverage would otherwise end, you and your Dependents may have the right to continue that coverage at your expense.

When is Plan Continuation Coverage Available?

Continuation coverage is available if your coverage or a covered Dependent's coverage would end because:

1. Your employment, if applicable, ends for any reason other than your gross misconduct.
2. You do not qualify as an Enrollee as set forth in your Summary of Dental Plan Benefits.
3. You are divorced or legally separated.
4. You die.
5. Your Dependent is no longer a Dependent.
6. You become enrolled in Medicare (if applicable).
7. You are called to active duty in the armed forces of the United States.

If you believe you are entitled to continuation coverage, you should contact the Contractor to receive the appropriate documentation required under the Employee Retirement Income Security Act of 1974 ("ERISA").

XIII. General Conditions

Assignment

Services and Benefits are for the personal benefit of Members and cannot be transferred or assigned, other than to pay Participating Dentists directly.

Subrogation and Right of Reimbursement

To the extent that This Plan provides or pays Benefits for Covered Services, Delta Dental is subrogated to any right you and/or your Dependent has to recover from another party or entity, including but not limited to, that party's insurer, or any other insurer that you or your Dependent may have, which would have been the primary payer if not for the payments made by Delta Dental. This includes but is not limited to, automobile, home, and other liability insurers, as well as any other group health plans.

To the extent that Delta Dental has a subrogation right, you and/or your Dependent must:

1. Provide Delta Dental with any information necessary to identify any other person, entity or plan that may be obligated to provide payments or benefits for the Covered Services that were paid for by Delta Dental,
2. Cooperate fully in Delta Dental's exercise of its right to subrogation and reimbursement,
3. Not do anything to prejudice those rights (such as settling a claim against another party without notifying Delta Dental, or not including Delta Dental as a co-payee of any settlement amount),
4. Sign any document that Delta Dental determines is relevant to protect Delta Dental's subrogation and reimbursement rights, and
5. Provide relevant information when requested.

The term "information" includes any documents, insurance policies, and police or other investigative reports, as well as any other facts that may reasonably be requested to help Delta Dental enforce its rights. Failure by you or your Dependent to cooperate with Delta Dental may result, at the discretion of Delta Dental, in a reduction of future benefit payments available to you or your Dependent under This Plan of an amount up to the aggregate amount paid by Delta Dental that was subject to Delta Dental's equitable lien, but for which Delta Dental was not reimbursed. Please note that Delta Dental's recovery pursuant to this section is subject to your rights as a subrogee as set forth in ORC Section 2323.44.

Obtaining and Releasing Information

While you and/or your Dependent(s) are enrolled in This Plan, you and/or your Dependent(s) agree to provide Delta Dental with any information it needs to process Claims and administer Benefits for you and/or your Dependent(s). This includes allowing Delta Dental access to your dental records.

Dentist-Patient Relationship

Members are free to choose any Dentist. Each Dentist is solely responsible for the treatment and/or dental advice provided to the Member, and Delta Dental does not have any liability resulting therefrom.

Loss of Eligibility During Treatment

If a Member loses eligibility while receiving dental treatment, only Covered Services received while that person was covered under This Plan will be payable.

Certain services begun before the loss of eligibility may be covered if they are completed within 60 days from the date of termination. In those cases, Delta Dental evaluates those services in progress to determine what portion may be paid by Delta Dental. The difference between Delta Dental's payment and the total fee for those services is your responsibility. This provision does not apply to orthodontics if covered under This Plan.

Late Claims Submission

Delta Dental will make no payment for services or supplies if a Claim for such has not been received by Delta Dental within one year following the date the services or supplies were completed. In the event that a Participating Dentist submits a Claim more than one year from the date of service, Delta Dental will deny that portion of the Claim that Delta Dental would have paid if the Claim had been timely submitted, and such denied portion of the Claim will not be chargeable to the Member. However, you will remain responsible for any applicable Deductible and/or Copayment. In the event that a Non-Participating Provider submits a Claim more than one year from the date of service, Delta Dental will Deny the Claim and you may be responsible for the full amount.

Change of Certificate or Contract

No changes to this Certificate, your Summary of Dental Plan Benefits, or the underlying contract are valid unless Delta Dental approves them in writing.

Actions

You cannot bring an action on a legal claim arising out of or related to this Certificate unless you have provided at least 60 days' written notice to Delta Dental, unless prohibited by applicable state law. In addition, you cannot bring an action more than three years after the legal claim first arose or after expiration of the applicable statute of limitations, whichever is shorter. Any person seeking to do so will be deemed to have waived his or her right to bring suit on such legal claim. Except as set forth above, this provision does not preclude you from seeking a judicial decision or pursuing other available legal remedies.

Change of Status

You must notify Delta Dental, through the Contractor, of any event that changes the status of a Dependent. Events that can affect the status of a Dependent include, but are not limited to, marriage, birth, death, divorce, and entrance into military service.

Governing Law

This Certificate and the underlying group Contract will be governed by and interpreted under the laws of the state of Ohio.

Right of Recovery Due to Fraud

If Delta Dental pays for services that were sought or received under fraudulent, false, or misleading pretenses or circumstances, pays a Claim that contains false or misrepresented information, or pays a Claim that is determined to be fraudulent due to your acts or acts of your Dependents, it may recover that payment from you or your Dependents. Delta Dental may recover any payment determined to be based on false, fraudulent, misleading, or misrepresented information by deducting that amount from any payments properly due to you or your Dependents. Delta Dental will provide an explanation of the payment recovery at the time the deduction is made.

Insolvency

Delta Dental is not a member of any guaranty fund, and in the event of Delta Dental's insolvency, Enrollees are protected only to the extent that the hold harmless provision required by section 1751.13 of the Ohio Revised Code applies to the health care services rendered.

In the event of insolvency of Delta Dental, an Enrollee may be financially responsible for health care services rendered by a provider or health care facility that is not under contract with Delta Dental, whether or not Delta Dental authorized the use of the provider or health care facility.

Legally Mandated Benefits

If any applicable law requires broader coverage or more favorable treatment for you or your Dependents than is provided by this Certificate, that law shall control over the language of this Certificate.

Any person intending to deceive an insurer, who knowingly submits an application or files a Claim containing a false or misleading statement, is guilty of insurance fraud.

Insurance fraud significantly increases the cost of health care. If you are aware of any false information submitted to Delta Dental, please call our toll-free hotline. We only accept anti-fraud calls at this number.

Notice Concerning Coverage Limitations and Exclusions under the Ohio Life and Health Insurance Guaranty Association Act

Residents of Ohio who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the Ohio Life and Health Insurance Guaranty Association. The purpose of this association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the guaranty association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the guaranty association is not unlimited, however. And, as noted in the box below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

The Ohio Life and Health Insurance Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in Ohio. You should not rely on coverage by the Ohio Life and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy.

Coverage is *NOT* provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus. You should check with your insurance company representative to determine if you are only covered in part or not covered at all.

Insurance companies or their agents are required by law to give or send you this notice. *However, insurance companies and their agents are prohibited by law from using the existence of the guaranty association to induce you to purchase any kind of insurance policy.*

The state law that provides for this safety-net coverage is called the Ohio Life and Health Insurance Guaranty Association Act. On the back of this page is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the guaranty association.

COVERAGE

Generally, individuals will be protected by the life and health insurance guaranty association if they live in Ohio and hold a life or health insurance contract, annuity contract, unallocated annuity contract; if they are insured under a group insurance contract, issued by a member insurer; or if they are the payee or beneficiary of a structured settlement annuity contract. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies are **not** protected by this association if:

- they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- the insurer was not authorized to do business in this state;
- their policy was issued by a medical, health or dental care corporation, an HMO, a fraternal benefit society, a mutual protective association or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange.

The association also does **not** provide coverage for:

- any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- any policy of reinsurance (unless an assumption certificate was issued);
- interest rate yields that exceed an average rate;
- dividends;
- credits given in connection with the administration of a policy by a group contract holder;
- employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them).

LIMITS ON AMOUNT OF COVERAGE

The act also limits the amount the association is obligated to pay out: The association cannot pay more than what the insurance company would owe under a policy or contract. Also, for any one insured life, the association will pay a maximum of \$300,000, except as specified below, no matter how many policies and contracts there were with the same company, even if they provided different types of coverages. The association will not pay more than \$100,000 in cash surrender values, \$500,000 in major medical insurance benefits, \$300,000 in disability or long-term care insurance benefits, \$100,000 in other health insurance benefits, \$250,000 in present value of annuities, or \$300,000 in life insurance death benefits. Again, no matter how many policies and contracts there were with the same company, and no matter how many different types of coverages, the association will pay a maximum of \$300,000, except for coverage involving major medical insurance benefits, for which the maximum of all coverages is \$500,000.

Note to benefit plan trustees or other holders of unallocated annuities (GICs, DACs, etc.) covered by the act: For unallocated annuities that fund governmental retirement plans under §§401, 403(b) or 457 of the Internal Revenue Code, the limit is \$250,000 in present value of annuity benefits including net cash surrender and net cash withdrawal per participating individual. In no event shall the association be liable to spend more than \$300,000 in the aggregate per individual, except as noted above. For covered unallocated annuities that fund other plans, a special limit of \$1,000,000 applies to each contract holder, regardless of the number of contracts held with the same company or number of persons covered. In all cases, of course, the contract limits also apply.
