**LEGAL NOTICE
NOTICE TO BIDDERS**

Sealed bids will be received by the Ashtabula County Engineer on behalf of the Board of County Commissioners at the County Engineer's Office, 186 East Satin St., Jefferson, Ohio 44047 until 10:00 A.M. on March 20, 2025 at which time said bids will be opened and publicly read to furnish 3200 tons #8 limestone, 9,200 tons #67 limestone, 500 tons #411 limestone, and 300 tons of #304 limestone for use on county highways for the Ashtabula County Engineer's Department in accordance with the specifications on file in the Engineer's Office on Quotation #320.

Any supplemental information desired by the Bidder may be obtained at the Ashtabula County Engineer's Office, 186 East Satin St., Jefferson, Ohio 44047 (440-576-3707).

Each bid shall contain the full name of each person or company submitting a bid and shall be accompanied by a bond or a certified check, cashiers check or money order drawn on a solvent bank or savings and loan association in the amount of 5% of the total bid as security that if a bid is accepted delivery is assured.

Bidders are advised that HB 308 rules apply. Contractors or suppliers shall furnish MSDS sheets for any hazardous substance brought onto county property or a county job site.

Each bid must be in a sealed envelope and the outside thereof properly marked with the Quotation Number, Date and Time of the bid opening.

The Notice to Bidders and/or the specifications may be obtained via the internet at www.co.ashtabula.oh.us/bids

The Board of Commissioners reserves the right to waive any and all informalities and the right to reject any and all bids.

By order of the Board of Commissioners of Ashtabula County, Ohio: Kathryn Whittington, and J.P Ducro IV., Casey Kozlowski,

Timothy T. Martin, County Engineer

ASHTABULA COUNTY HIGHWAY DEPARTMENT

QUOTATION #320

BIDS FOR AGGREGATES (Limestone only)

ODOT Spec. #67(Limestone)	9,200 tons
ODOT Spec. #8 (Limestone)	3,200 tons
ODOT Spec. #411 (Limestone)	500 tons
ODOT Spec. #304 (Limestone)	300 tons

Actual quantities may vary depending upon the suppliers' ability to ship exact amounts.

All stone must meet Ohio Department of Transportation specifications dated January 1, 2023.

All bidders are required to furnish MSDS information and lab test results complying with 2023 ODOT Spec. 703, with absorption percentage noted.

All #67 size aggregate shall meet the gradation specifications of Table 703.01 (ODOT 2023 CMS) and additionally have a washed gradation value of 1.5% maximum for material passing a No. 200 (75 µm) sieve at the point of delivery

All #8 size aggregate shall meet the specifications of 422.02 (ODOT 2023 CMS) and additionally have a washed gradation value of 1.5% maximum for passing a No. 200 (75 µm) sieve at the point of delivery.

If the supplier is unable to furnish the quantity of stone at schedules set by the County Engineer, or is unable to furnish material meeting the specifications, the County reserves the right to purchase material from other sources.

Quantities stated are based on the intended use and are to be considered up to, but not exceeding. No substitution or extra material is to be furnished without proper authorization.

All quotations should include FOB Ashtabula County Highway Department, Jefferson, Ohio, and price at supply point. All quotations should state point of origin.

Successful bidders will be requested to furnish samples before awarding a contract.

Bidders may submit bids for one or all sizes listed.

The County will award a contract for each lot based on lowest and best meeting specifications.

Bids requiring a fuel surcharge adjustment will not be considered

QUOTATION #321**

LIQUID ASPHALT EMULSION

CRS-2	92,000 gallons
CMS-2	166,000 gallons

All liquid asphalt must meet ODOT specification 702.04; provide Emulsified Asphalt according to AASHTO M 140 or AASHTO M 208.

The bidder must state free unloading time and demurrage charges.

The award of this bid is contingent upon the supplier furnishing material in a timely manner. If at any time material is furnished that does not work properly with the type of aggregate available, or fails to meet performance criteria set by the engineer, the supplier shall be notified immediately. If any requested corrections are not made to the next lot delivered, Ashtabula County will have cause to terminate the contract and choose an alternate supplier. If any surface treatment fails, and it is determined that the asphalt product is the causative factor, the supplier will pick up any unused portion at their own expenses and shall reimburse the county for the value of the product. Additionally, the supplier shall reimburse the county for all material used, labor and machine costs where faulty asphalt is determined to be a causative factor.

The bidder shall complete the "bid sheet for liquid asphalt emulsion" as provided.
