RE: Approval to purchase Tandem Axle Mack Granite GR-64F Chassis

Dear Lisa,

This office requests authorization from the County Commissioners to purchase a new heavy-duty 2025 tandem axle truck chassis. The truck is offered through Sourcewell, the Federal cooperative purchasing program as contract number 032824-MAK. M&K Truck Centers of Austinburg has the lowest price for the options included that meet our fleet's specifications.

The new truck will replace a 2002 model year truck (2-75). The old truck is aged and requires continuous maintenance. We have repaired it temporarily to get through until a replacement can be obtained.

The cost of the new truck is \$142,800.00. The truck will be purchased with MV> funds (2025 Budget).

Thank you for your consideration of this request.

Sincerely,

Thomas G. Partridge, P.E., P.S.
Chief Deputy Engineer
