In accordance with a certain Contract between the Ashtabula County Board of Commissioners, Ohio, (hereinafter referred to as "the Owner") and Great Lakes Crushing, Ltd., (hereinafter referred to as "the Contractor"), an Escrow Agent is hereby appointed to hold funds arising out of the Owner's agreement to pay retainage into an escrow fund, said Agent to be:

Andover Bank, 150 North Chestnut Street, P.O. Box 405, Jefferson, Ohio 44047,

All retained funds will be placed with the above Escrow Agent from the date your Contract is certified as being 50% complete pursuant to Sections 153.13, and 153.14 and 153.63 Ohio Revised Code.

During the time the aforementioned retained funds are in the custody of the Escrow Agent, the Escrow Agent has authority to invest the escrow funds in the classes of securities listed below which, in the judgment of the Escrow Agent, allow for the least risk to capital preservation and provide for a reasonable income. The income from investment of the escrowed funds shall be accumulated in the escrow account.

- (a) Obligation issued or guaranteed as to interest and principal by the government of the United States, or obligations of the State of Ohio or any political subdivision thereof;
- (b) Obligations including certificates of deposit of any national bank located in this State and/or any bank as defined by Section 1101.01, O.R.C.;
- (c) Repurchase agreements fully secured by obligations of any kind specified in clauses (a) and (b) above; or
- (d) Interest in any money market fund or trust, the investments of which are generally restricted to obligations of any of the kind specified in clauses (a) through (c) above.

The Escrow Agent shall hold the escrowed principal and interest until receipt of notice from the Owner, or until receipt of an Arbitration Order or an Order of the Court of Claims, or other appropriate courts, specifying the amount of the escrowed principal to be released and the person to whom it is to be released. Upon receipt of such a request or order, the Escrow Agent shall, within 30 days, pay such amount of principal and interest earned on the retainage to the Contractor less the Escrow Agent's fee.

It is understood that the Escrow Agent shall have no duties, obligations, or liabilities hereunder other than to hold and invest said funds and to deliver them in accordance with the provisions hereof.

State of Ohio Debarment List

State agencies given the authority to debar suppliers by the Ohio Revised Code (R.C.) are the Ohio Facilities Construction Commission (OFCC), the Ohio Department of Transportation (ODOT), the Department of Administrative Services (DAS), and the Ohio Secretary of State. Respectively, debarment authority is given to these agencies by R.C. [153.02](#), [5513.06](#), [125.25](#) (opens in new webpage). The reasons for debarment are also prescribed by these statutes.

A debarred supplier cannot participate (i.e., do any work in any capacity) in any State agency contracts until the debarment period expires. Neither the Ohio Revised Code nor the Ohio Administrative Code (OAC) establish prescribed debarment periods. Instead, these are determined on a case-by-case basis.

When conducting procurements, State agencies are required to use the Statewide Debarment List. For agencies using OhioBuys, suppliers' profiles can be referenced to determine their debarment status, plus systematic controls are in place preventing debarred vendors from doing business with State agencies. Additionally, agencies must use the [Ohio Secretary of State's](#) and the United States General Services Administration's [System for Award Management \(SAM\)](#) (opens in new webpage).list of federally debarred suppliers. State agencies are prohibited from awarding contracts, funded in whole or in part with state and/or federal funds, to any person or company on any of these lists.
