The BIDDER agrees that a breach of this certification will be a violation of the Equal Opportunity clause in any contract resulting from acceptance of this bid. As used in this certification, the term "segregated facilities" means any waiting rooms, work areas, restrooms and washrooms, restaurants and other eating areas, time clocks, locker rooms and other storage or dressing areas, parking lots, drinking fountains, recreation or entertainment areas, transportation, and housing facilities provided for employees which are segregated by explicit directive or are, in fact, segregated on the basis of race, color, religion, or national origin, because of habit, local custom, or otherwise. The BIDDER agrees that (except where he has obtained identical certification from proposed subcontractors for specific time periods) he will obtain identical certifications from proposed subcontractors prior to the award of subcontractors exceeding \$10,000 which are not exempt from the provisions of the Equal Opportunity clause, and that he will retain such certifications in his files.

Note: The penalty for making false statements in offers is prescribed in 18 U.S.C. 1001.

State of Ohio Debarment List

State agencies given the authority to debar suppliers by the Ohio Revised Code (R.C.) are the Ohio Facilities Construction Commission (OFCC), the Ohio Department of Transportation (ODOT), the Department of Administrative Services (DAS), and the Ohio Secretary of State. Respectively, debarment authority is given to these agencies by R.C. [53.02](#), [5513.06](#), [125.25](#) (opens in new webpage). The reasons for debarment are also prescribed by these statutes.

A debarred supplier cannot participate (i.e., do any work in any capacity) in any State agency contracts until the debarment period expires. Neither the Ohio Revised Code nor the Ohio Administrative Code (OAC) establish prescribed debarment periods. Instead, these are determined on a case-by-case basis.

When conducting procurements, State agencies are required to use the Statewide Debarment List. For agencies using OhioBuys, suppliers' profiles can be referenced to determine their debarment status, plus systematic controls are in place preventing debarred vendors from doing business with State agencies. Additionally, agencies must use the [Ohio Secretary of State](#) (opens in new webpage) and the United States General Services Administration's [System for Award Management \(SAM\)](#) (opens in new webpage) list of federally debarred suppliers. State agencies are prohibited from awarding contracts, funded in whole or in part with state and/or federal funds, to any person or company on any of these lists.
