City with a population of at least 15,000	\$250,000	\$350,000

Additionally, Points associated with Partnership development will be awarded when scored for funding. The maximum award for each Partnership cannot exceed the aggregate maximum total amount of each CHIP Program-eligible jurisdiction in the Partnership as detailed in Option 2.

Counties without eligible cities, or Cities with an opt-out County or ineligible County, applicants applying as a single-jurisdiction applicant may apply for the maximum award under Option 2. Points associated with Partnership development will be awarded when scored for funding.

This is a budget and projection of funding. It is NOT a guarantee of funding to the partner's eligible jurisdiction. Upon completion of the planning process, an activity budget will be approved by each partner and become an addendum to this Partnership agreement.

In July 2028, if 100% the partner's budgeted funds have not been committed, a "re-organization" of the uncommitted funds will take place. The uncommitted funds will be committed by whichever partner can utilize them immediately to allow for completion of the work by the PY 2026 grant milestone deadlines.
