State of Ohio Debarment List

State agencies given the authority to debar suppliers by the Ohio Revised Code (R.C.) are the Ohio Facilities Construction Commission (OFCC), the Ohio Department of Transportation (ODOT), the Department of Administrative Services (DAS), and the Ohio Secretary of State. Respectively, debarment authority is given to these agencies by R.C. [153.02](#), [5513.06](#), [125.25](#) (opens in new webpage). The reasons for debarment are also prescribed by these statutes.

A debarred supplier cannot participate (i.e., do any work in any capacity) in any State agency contracts until the debarment period expires. Neither the Ohio Revised Code nor the Ohio Administrative Code (OAC) establish prescribed debarment periods. Instead, these are determined on a case-by-case basis.

When conducting procurements, State agencies are required to use the Statewide Debarment List. For agencies using OhioBuys, suppliers' profiles can be referenced to determine their debarment status, plus systematic controls are in place preventing debarred vendors from doing business with State agencies. Additionally, agencies must use the [Ohio Secretary of State](#) (opens in new webpage) and the United States General Services Administration's [System for Award Management \(SAM\)](#) (opens in new webpage) list of federally debarred suppliers. State agencies are prohibited from awarding contracts, funded in whole or in part with state and/or federal funds, to any person or company on any of these lists.
