State of Ohio Community Development Block Grant (CDBG) Program Grant Agreement

This Grant Agreement (the "Agreement") is made and entered into between the Ohio Department of Development (the "Grantor") and **Ashtabula County Board of Commissioners** (the "Grantee") for the period **September 1, 2021 to October 31, 2023**.

Background Information

- A. Pursuant to the provisions of the Housing and Community Development Act of 1974, as amended, (the "Act"), the United States Department of Housing and Urban Development ("HUD") has been authorized by the Congress of the United States to make grants to states for community and economic development and has made available a grant to the State of Ohio through Grantor.
- B. Grantor, through its Office of Community Development, has been designated and empowered to receive, administer and disburse block grant funds for community and economic development activities to units of general local government in nonentitlement areas of Ohio, and to provide technical assistance to them in connection with community and economic development programs.
- C. Grantee has submitted to Grantor an application, which is not attached hereto but is incorporated herein by reference as if fully set forth herein, setting forth a list of activities (herein referred to individually as "Project" or collectively as "Projects"), and Grantor has approved the Project(s).

NOW, THEREFORE, in consideration of the foregoing and the mutual promises and covenants hereinafter set forth, the parties hereby agree as follows:

Statement of the Agreement

1. **Award of Grant Funds.** Grantor hereby grants funds to Grantee in the amount of **\$1,030,000** (the "Grant Funds"), for the sole and express purpose of providing for the performance of the program listed above, and undertaking the Project(s) as listed in **Attachment A: Scope of Work and Budget**, which is attached hereto, made a part hereof, and incorporated herein by reference. The award of the Grant Funds shall be contingent upon the special conditions set forth in **Attachment B: Program Requirements**, attached hereto, made a part hereof and incorporated herein by reference, which must be complied with in full.
2. **Scope of Work.** Grantee shall undertake the Project(s) as listed in Attachment A and the application. Grantor may, from time to time, as it deems appropriate and necessary, communicate specific instructions and requests and provide guidance and direction to Grantee concerning the performance of the work described in this Agreement. Within a reasonable period of time, Grantee shall comply with such instructions and fulfill such requests to the satisfaction of Grantor. These instructions and requests are to ensure the satisfactory completion of the work contemplated under this Agreement.
3. **Use of Grant Funds.** The Grant Funds shall be used solely for the stated purposes set forth in this Agreement and Attachment A, and the expenditures shall be supported by contracts, invoices, vouchers and other data as appropriate, including the reports listed in accordance with the schedule set forth in **Attachment C: Reporting Requirements**, which is attached hereto,

PY 2021 Community Development Program

made a part hereof and incorporated herein by reference, evidencing the costs incurred. Any and all interest earned on the Grant Funds shall be remitted to the US Department of Housing and Urban Development (HUD), as specified by Grantor. If the Grant Funds are not expended in accordance with the terms, conditions and time period set forth in this Agreement or the total amount of the Grant Funds exceeds the eligible costs of the Project(s), the amounts improperly expended or not expended shall be returned to Grantor within 30 days after the expiration or termination of this Agreement. Grantee shall not pledge the Grant Funds as security for any loan or debt of any kind other than that described in this Agreement. Grantee shall require delivery before payment is made for purchased goods, equipment or services unless the Grantee obtains satisfactory security from the vendor.

4. **Term.** The parties agree that the term of this Agreement shall be the Grant Period. Grantee shall not incur any expenses to be reimbursed with the Grant Funds except during the Grant Period. Exceptions are outlined in **OCD 20-01: Grant Operations and Financial Management Policy**.
5. **Payment of Grant Funds.** Payment to Grantee of the Grant Funds shall be made upon the timely submission to Grantor of a draw request. Grantor reserves the right to suspend payments should Grantee fail to provide required reports in a timely and adequate fashion or if Grantee fails to meet other terms and conditions of this Agreement.
6. **Accounting of Grant Funds.** Grant Funds shall be deposited and maintained in a separate fund account upon the books and records of Grantee (the "Account"). Grantee shall keep all records of the Account in a manner that is consistent with generally accepted accounting principles. All disbursements from the Account shall be for obligations incurred in the performance of this Agreement and shall be supported by contracts, invoices, vouchers, and other data, as appropriate, evidencing the necessity of such expenditure. Grantor may withhold payment requests if Grantee fails to comply with the above requirements until such compliance is demonstrated.
7. **Reporting Requirements.** Grantee shall submit to Grantor the reports required in Attachment C. All records of the Grantee shall be maintained in accordance with **OCD 20-01: Grant Operations and Financial Management Policy**.
8. **Grantee Requirements.** Grantee shall comply with Grantor's Program Policy Notices, located online at <https://development.force.com/OCDTA/s/>, which may be amended and updated from time to time. Grantee shall comply with assurances and certifications contained in **Attachment D: Grantee Assurances and Certifications** and **Attachment E: Local Government Certifications to the State**, which are attached hereto and made a part hereof.
9. **Records, Access and Maintenance.** Grantee shall establish, and physically control for at least three years from the final close out of this Agreement such records as are required by Grantor, including but not limited to, financial reports, intake and participant information, program and audit reports. The parties further agree that records required by Grantor with respect to any questioned costs, audit disallowances, litigation or dispute between Grantor and Grantee shall be maintained for the time needed for the resolution of any such issue. If for any reason Grantor shall require a review of the records related to the Project(s), Grantee shall, at its own cost and expense, segregate all such records related to the Project(s) from its other records of operation.
10. **Inspections.** At any time during normal business hours upon three days prior written notice and as often as Grantor may deem necessary and in such a manner as not to interfere

PY 2021 Community Development Program

unreasonably with the normal business operations, Grantee shall make available to Grantor, and to appropriate state agencies or officials, for examination, all of its records with respect to matters covered by this Agreement including, but not limited to, records of personnel and conditions of employment and shall permit Grantor to audit, examine and make excerpts or transcripts from such records.

11. **Audits.** An audited Grantee shall submit to the Federal Audit Clearinghouse and make available for public inspection a copy of the audit, data collection form and reporting package as described in **2 CFR 200 Subpart F – Audit Requirements** within the earlier of 30 days after receipt of the auditor's report(s) or nine months after the end of the audit period. In addition, Grantees must notify the Grantor when their audit reporting package is submitted to the Federal Audit Clearinghouse. Notification should be sent to singleaudit@development.ohio.gov and must take place within seven (7) days following submission of the reporting package to the Federal Audit Clearinghouse. In lieu of or in addition to the notification, Grantees may electronically submit their single audit report to singleaudit@development.ohio.gov or mail one copy of the single audit report to Special Projects Coordinator, Audit Office, P. O. Box 1001, Columbus, Ohio 43216-1001.
12. **Equal Employment Opportunity.** Grantee will not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, disability, age, military status, ancestry, veteran status, or any other factor specified in **Section 125.111 of the Ohio Revised Code, in the Civil Rights Act of 1964, as amended, or in section 504 of the Rehabilitation Act of 1973, as amended, and in any subsequent legislation pertaining to civil rights.** Grantee will take affirmative action to ensure that applicants are considered for employment and that employees are treated during employment, without regard to the aforementioned classes. Grantee will, in all solicitations or advertisements for employees placed by or on behalf of Grantee, state that all qualified applicants will receive consideration for employment without regard to the aforementioned classes. Grantee will incorporate the requirements of this paragraph in all of its respective contracts for any of the work for which the Grant Funds are expended (other than subcontracts for standard commercial supplies or raw materials), and the Grantee will require all of its subcontractors for any part of such work to incorporate such requirements in all subcontracts for such work.
13. **Prevailing Wage Rates and Labor Standards.** In the commission of any Project(s) wherein federal funds are used to finance construction work as defined in the **Code of Federal Regulations (CFR) Title 29, Part 5** to the extent that such activity is subject to the **Davis-Bacon Act (40 United States Code (U.S.C.) 3141 to 3148**, as amended), all laborers and mechanics employed by contractors or subcontractors on any such construction work assisted under this Agreement shall be paid the wages that have been determined by the U.S. Secretary of Labor to be the wages prevailing for the corresponding classes of laborers and mechanics employed on project(s) of a character similar to the contract work in the civil subdivision of the state wherein the work is to be performed. In addition, all laborers and mechanics employed by contractors or subcontractors on such construction work assisted under this Agreement shall be paid overtime compensation in accordance with the provisions of the **Contract Work Hours and Safety Standards Act, 40 U.S.C. 3701 to 3708**. Furthermore, Grantee shall require that all contractors and subcontractors shall comply with all regulations issued pursuant to these acts and with other applicable federal and state laws and regulations.

In the event that the construction work to be undertaken does not lie within the purview of the Davis-Bacon Act, and neither the federal government nor any of its agencies prescribes predetermined minimum wages to be paid to mechanics and laborers to be employed in the

PY 2021 Community Development Program

construction work to be assisted by this Project(s), Grantee will comply with the provisions of **Ohio Revised Code (ORC) Sections 4115.03 to 4115.16**, inclusive, as applicable, with respect to the payment of all mechanics and laborers employed in such construction work.

14. **Use of Federal Grant Funds.** Grantee acknowledges that this Agreement involves the use of federal funds and as such, is subject to audit by the agency of the United States Government granting the funds to Grantor for the purposes of performing the work and activities as listed in Attachment A. Grantee shall fully indemnify Grantor for any cost of Grantee which is disallowed by said federal agency and which must be refunded thereto by Grantor.
15. **Property and Equipment Purchases.** All items purchased by Grantee are and shall remain the property of Grantee, except if Grantor exercises its right to terminate this Agreement pursuant to paragraph 17, in which case all property and equipment purchased by Grantee with any Grant Funds herein awarded shall revert to Grantor. Grantee shall provide for the security and safekeeping of all items obtained through this Agreement.
16. **Certification of Grant Funds.** None of the rights, duties and obligations described in this Agreement shall be binding on either party until all statutory provisions of the ORC, including but not limited to, Section 126.07, have been complied with, and until such time as all funds have been made available and are forthcoming from the appropriate state agencies.
17. **Termination**
 - a. Grantor may immediately terminate this Agreement by giving reasonable written notice of termination to Grantee for any of the following occurrences:
 - i. Failure of Grantee to fulfill in a timely and proper manner any of its obligations under this Agreement.
 - ii. Failure of Grantee to submit any report required by this Agreement that is complete and accurate.
 - iii. Failure of Grantee to use the Grant Funds for the stated purposes in this Agreement.
 - iv. Cancellation of the grant of funds from HUD.
 - b. Early Termination: Grantor may also terminate this Agreement if Grantee (i) defaults under another Agreement between the Grantor and/or the Tax Credit Authority and Grantee and/or the Clean Ohio Council, (ii) admits Grantee's inability to pay its debts as such debts become due, (iii) Grantee commences a voluntary bankruptcy, (iv) an involuntary bankruptcy action occurs against Grantee which remains undismissed or unstayed for 60 days, (v) Grantee fails to meet the minimum funding requirements under the Employee Retirement Income Security Act or other such employee benefits plan, or (vi) Grantor has reason to believe Grantee has ceased operations at the Project location. The events permitting early termination by Grantor shall be considered a default by Grantee and subject to the Effects of Termination under Section 18 of this Agreement.
18. **Effects of Termination.** Within 60 days after termination of this Agreement, Grantee shall surrender all reports, documents, and other materials assembled and prepared pursuant to Agreement, which shall become the property of Grantor, unless otherwise directed by Grantor. After receiving written notice of termination, Grantee shall incur no new obligations and shall cancel as many outstanding obligations as possible. Upon compliance with this Section,

PY 2021 Community Development Program

Grantee shall receive compensation for all activities satisfactorily performed prior to the effective date of termination.

19. **Forbearance Not a Waiver.** No act of forbearance or failure to insist on the prompt performance by Grantee of its obligations under this Agreement, either express or implied, shall be construed as a waiver by Grantor of any of its rights hereunder.
20. **Conflict of Interest.** No personnel of Grantee, contractor of Grantee or personnel of any such contractor, and no public official who exercises any functions or responsibilities in connection with the review or approval of any work completed under this Agreement, shall, prior to the completion of such work, voluntarily or involuntarily acquire any personal interest, direct or indirect, which is incompatible or in conflict with the discharge or fulfillment of his or her functions or responsibilities with respect to the completion of the work contemplated under this Agreement. Grantee shall immediately disclose in writing to Grantor any such person who, prior to or after the execution of this Agreement, acquires any personal interest, voluntarily or involuntarily. Grantee shall cause any such person who, prior to or after the execution of this Agreement, acquires any personal interest, voluntarily or involuntarily, to immediately disclose such interest to Grantor in writing. Thereafter, such person shall not participate in any action affecting the work under this Agreement unless Grantor determines that, in light of the personal interest disclosed, his or her participation in any such action would not be contrary to the public interest. Additional information found in **OCD 15-07: Resolving a Potential Conflict of Interest**.
21. **Liability.** Unless Grantee is an Ohio political sub-division and can prove to Grantor that it is self-insured, Grantee shall maintain liability and property insurance to cover actionable legal claims for liability or loss which are the result of injury to or death of any person, damage to property (including property of Grantor) caused by the negligent acts or omissions, or negligent conduct of Grantee, to the extent permitted by law, in connection with the activities of this Agreement. Furthermore, each party to this Agreement agrees to be liable for the negligent acts or negligent omissions by or through itself, its employees, agents and subcontractors. Each party further agrees to defend itself and themselves and pay any judgments and costs arising out of such negligent acts or omissions, and nothing in this Agreement shall impute or transfer any such liability from one to the other.
22. **Adherence to State and Federal Laws, Regulations.**
 - a. **General.** Grantee shall comply with all applicable federal, state, and local laws in the performance of Grantee's obligations under this Agreement, the completion of the Project and the operation of the Project as long as Grantee has any obligation to Grantor under this Agreement. Without limiting the generality of such obligation, Grantee shall pay or cause to be paid all unemployment compensation, insurance premiums, workers' compensation premiums, income tax withholding, social security withhold, and any and all other taxes or payroll deductions required for all employees engaged by Grantee in connection with the Project, and Grantee shall comply with all applicable environmental, zoning, planning and building laws and regulations
 - b. **Ethics.** Grantee, by its signature on this document, certifies: (1) it has reviewed and understands the Ohio ethics and conflict of interest laws including, without limitation, **ORC Sections 102.01 et seq., 2921.01, 2921.42, 2921.421, 2921.43, and 3517.13(I) and (J), and (2)** will take no action inconsistent with those laws, as any of them may be amended or supplemented from time to time. Grantee understands that failure to comply

PY 2021 Community Development Program

with the ethics and conflict of interest laws, is in itself, grounds for termination of this Agreement and the grant of funds made pursuant to this Agreement and may result in the loss of other contracts or grants with the State of Ohio.

23. **Outstanding Liabilities.** Grantee represents and warrants that it does not owe: (1) any delinquent taxes to the State of Ohio (the "State") or a political subdivision of the State; (2) any amount to the State or a state agency for the administration or enforcement of any environmental laws of the State; and (3) any other amount to the State, a state agency or a political subdivision of the State that are past due, whether or not the amounts owed are being contested in a court of law.
24. **Falsification of Information.** Grantee represents and warrants that it has made no false statements to Grantor in the process of obtaining this award of the Grant Funds. If Grantee has knowingly made a false statement to Grantor to obtain this award of the Grant Funds, Grantee shall be required to return all the Grant Funds immediately pursuant to **ORC Section 9.66(C)(2)** and shall be ineligible for any future economic development assistance from the State, any state agency or a political subdivision pursuant to **ORC Section 9.66(C)(1)**. Any person who provides a false statement to secure economic development assistance may be guilty of falsification, a misdemeanor of the first degree, pursuant to **ORC 2921.13(F)(1)**, which is punishable by a fine of not more than \$1,000 and/or a term of imprisonment of not more than 180 days.

27. **Miscellaneous.**

 - b. **Forum and Venue.** Grantee irrevocably submits to the non-exclusive jurisdiction of any federal or state court sitting in Columbus, Ohio, in any action or proceeding arising out of or related to this Agreement, Grantee agrees that all claims in respect of such action or proceeding may be heard and determined in any such court, and Grantee irrevocably waives any objection it may now or hereafter have as to the venue of any such action or proceeding brought in such court or that such court is an inconvenient forum. Nothing in this Agreement shall limit the right of Grantor to bring any action or proceedings against Grantee in the courts of any other jurisdiction. Any actions or proceedings by Grantee against Grantor or the State of Ohio involving, directly or indirectly, any matter in any way arising out of or related to this Agreement shall be brought only in a court in Columbus, Ohio.

Attachment B: Program Requirements

Community Development Block Grant Program

1. **Grant Execution.** This Agreement must be signed by Grantee's authorized official, approved by its governing body, and returned to Grantor within 10 working days of receipt. Failure to do so may result in the cancellation of this Agreement.

2. **Environmental Review Requirements.** Grant activities cannot be implemented prior to an Environmental Release of Funds from Grantor. Drawdown requests from Grantee for specific activities under this Agreement will not be processed until Grantee's Environmental Review process has been appropriately completed and accepted by Grantor.
 - a. Grantee must submit a Request for Release of Funds (RROF) and/or Environmental Review Certification by **February 15, 2022**, for all PY 2021 Community Development Block Grant (CDBG) Community Development Program activities not included in the Environmental Review Documentation and Certification Form for General Administration, Fair Housing, and Planning. Grantor will provide written notification if Grantee fails to meet the **February 15, 2022** deadline. Failure to meet the **February 15, 2022** deadline may reduce the likelihood Grantor will approve any request for extension or amendment of the Agreement. Failure to meet the **February 15, 2022** deadline will also affect the Grantee's administrative capacity rating, which may impact the Grantee's ability to apply successfully for competitive OCD-funded programs.

3. **Eligible Costs.**
 - a. Expenditures may only be made for those activities contained in the Scope of Work. In no case may expenditures be made for an activity considered ineligible under the CDBG regulations or not allowed under the State of Ohio Consolidated Plan. The current State of Ohio Consolidated Plan can be found on the Ohio Department of Development (Development) website here:
https://development.ohio.gov/cs/cs_ocp.htm.
 - b. Amendments to the Scope of Work must be made in accordance with the procedures set in the State of Ohio Consolidated Plan. The current State of Ohio Consolidated Plan can be found on the Development website here:
https://development.ohio.gov/cs/cs_ocp.htm. Additional information found in **OCD Program Policy 20-01: Grant Operations and Financial Management Policy**.
 - c. The costs of preparing the application and environmental review may be incurred before the date of Grant Agreement execution.

4. **Fair Housing Requirements.** Grantees are required to affirmatively further fair housing and document actions and compliance. Listed below are the specific minimum requirements for Grantees receiving State Community Development Block Grant Program funds.

PY 2021 Community Development Program

Grantee shall:

- a. Appoint a local fair housing coordinator who is an employee of the unit of general local government and will generally be accessible Monday through Friday. A qualified consultant or local agency may serve as the local fair housing coordinator, upon OCD's written approval. The local fair housing coordinator's name, address and phone number must appear in all fair housing materials and on the Grantee's official website.
- b. Conduct or update an analysis of impediments to fair housing choice (AI). The AI should identify policies, actions, omissions, or decisions that restrict housing choice based on race, color, religion, sex, national origin, disability, familial status, ancestry and military status. The AI should describe impediments to fair housing choice and include, at a minimum, jurisdictional background data and maps, a summary of fair housing complaints within the jurisdiction, and a plan of action – with a timetable – to address identified impediments. The AI must be updated annually. If the Grantee is not covered by an existing, OCD-approved AI, the Grantee must submit an AI within three months of a CDBG- or HOME-funded award.
- c. Establish and implement a process to receive fair housing complaints and refer cases to the Ohio Civil Rights Commission, which is charged with investigation and enforcement. Records must describe the type of referral, copies of Housing Discrimination Complaint records (HUD-903 or equivalent), referral date and any follow-up action.
- d. Design a fair housing training program that includes presentations to:
 1. Residents of areas in which CDBG or HOME activities are being undertaken, or to special populations affected by the activities;
 2. A minimum of three civic groups, organizations, or schools (per calendar year during the grant period);
 3. Participants in homebuyer education programs associated with Homeownership Assistance activities; and
 4. Property owners who participate in rental repair/rehabilitation projects.

Records for each training session must contain an agenda, sign-in sheet, minutes and a description of the audience.

PY 2021 Community Development Program

- e. Develop and distribute fair housing information and materials (e.g. posters, pamphlets, brochures or other informational materials) to a minimum of 10 area agencies, organizations, or public events (e.g. county fair, post office, employment services office, etc.) quarterly throughout the grant period. A Community Development Allocation recipient that also receives a Community Housing Impact and Preservation (CHIP) Program award must include five additional area agencies, organizations or public events in its distribution strategy. The local fair housing coordinator's telephone number (including a telephone number for the hearing impaired) must be included on all outreach materials. Records regarding the outreach strategy must include distribution locations, dates and a description of the type and quantity of distributed materials. If the Grantee undertakes residential rehabilitation/repair, residential new construction, tenant-based rental assistance or down payment assistance, it must provide fair housing information to each program applicant.
 - f. Adopt affirmative marketing procedures and submit an Affirmative Fair Housing Marketing Plan (AFHMP) to OCD for CDBG- or HOME-assisted multifamily rehabilitation projects containing five or more units.
 - g. Ensure projects funded wholly or in part with HOME, CDBG, or NTF funds comply with **24 CFR Part 5, Subpart 'L' - Violence Against Women Act (VAWA)**.
5. **Program Income.** Any program income resulting from expenditures of CDBG funds must be expended in accordance with [OCD 15-04: Program Income Policy](#), incorporated by reference herein.
6. **Program Completion Agreements.** All projects, as identified in the Scope of Work, must be completed, i.e., work finished, by **August 31, 2023**. Any work not completed by this time may not continue without written approval by Grantor. There must also be a clause in each contract, funded in whole or part with CDBG funds, which stipulates that work be completed no later than **August 31, 2023**.
7. **Drawdown Requests.** All drawdown requests from Grantee for the Grant Funds under this Agreement must be received by Grantor by **September 30, 2023**.
8. **Closeout Requirements.**
- a. Final Performance Reports for Grantee's program, as described in **Attachment C: Reporting Requirements**, which is attached hereto, made a part hereof and incorporated herein by reference to this Agreement, must be submitted to Grantor by **October 31, 2023**.
 - b. Audit reports must be submitted according to the timeframes and procedures set in Reporting Requirements.

PY 2021 Community Development Program

9. **Clearance, Conversion, or Acquisition of Dwelling Units.** Any and all occupied rental units and all vacant occupiable low- and moderate-income units (rental or owner occupied) demolished or converted to a use other than as low- and moderate-income dwelling units as a direct result of activities assisted under the CDBG program must be replaced with low- and moderate-income dwelling units, according to procedures established in the community's Anti-Displacement and Relocation Plan.

A low- and moderate-income dwelling unit is defined as a unit with a market rental, including utility costs, that does not exceed the applicable Section 8 Fair Market Rent.

A vacant occupiable dwelling unit is one which meets any of the following criteria:

- a. A vacant unit that is in standard condition (i.e., meets or exceeds local codes, or where no local code exists, OCD Residential Rehabilitation Standards (RRS) contained in Part II of the OCD Housing Handbook. The OCD Housing Handbook can be found on the OCD website here: <https://development.force.com/OCDTA/s/article/Housing-Handbook>);
 - b. A vacant dwelling unit that is in substandard condition, but can be classified as "suitable for rehabilitation," as prescribed by Grantor; or
 - c. A vacant dwelling unit in any condition (standard or substandard) that has been occupied (by a person with a legal right to occupy the property) at any time within the period beginning three months before the date of the execution of the funding agreement covering the rehabilitation or demolition.
10. **Housing Rehabilitation Activities.** Housing rehabilitation activities must be implemented in accordance with the Grantor's Housing Handbook. In addition, Grantee must develop and adopt a local policies and procedures manual. All rehabilitation must meet or exceed the OCD's current **Residential Rehabilitation Standards (RRS) contained in Part II of the OCD Housing Handbook**. The OCD Housing Handbook can be found on the OCD Technical Assistance website at: <https://development.force.com/OCDTA/s/article/Housing-Handbook>.

Emergency home repair activities must meet the definition of "emergency" as included in Grantor's Housing Handbook. Grantee may not classify a repair as an emergency in order to: avoid establishing a local walk away policy; or to complete rehabilitation activities that do not meet the requirements included in the RRS.

11. **Special Condition on Lead Based Paint.** The Special Condition applies only to residential units and/or child occupied facilities that undergo rehabilitation with HUD funds where the HUD rehabilitation assistance does not exceed \$25,000 per unit, and where a lead-safe renovator listed by Ohio Department of Health (ODH) applies interim control measures to identified lead-based paint hazards or any lead-based paint hazards created as a result of the rehabilitation work pursuant to **24 CFR Part 35.930**. This Special Condition does not apply to units that are listed as exempt at **24 CFR Part 35.115** or that are within de minimis levels at **24 CFR Part 35.1350**. For activities that are covered by this Special Condition, Grantee shall:

- a. Distribute copies of lead-based paint educational brochures and materials prior to

PY 2021 Community Development Program

performance of any work when required to by **24 CFR35.130** and get a receipt from the occupant that they have received the pamphlet.

- b. Use only lead-safe renovators who have completed the EPA Renovation, Repair, and Painting/Renovator's and Remodeler's Training Program at a training provider approved by ODH.
- c. Use clearance technicians who are trained by an ODH approved training provider or use a licensed Lead Abatement Inspector or a licensed Lead Abatement Risk Assessor to clear units after rehabilitation.
- d. Maintain a file of information on appropriately qualified personnel (including proof of their qualifications) that are involved in inspecting, rehabilitating, cleaning or examining projects where rehabilitation, remodeling, or paint repair work has been performed on HUD assisted projects funded by Grantee and furnish such information to Grantor personnel upon request.
- e. Maintain records in respective project files that document the results of any required clearance examination for a minimum of three years after completion of the project and allows Grantor to inspect these records upon request at any time during the three years after completion.
- f. Have a Risk Assessment performed by a licensed Risk Assessor on units prior to rehabilitation, and maintain a copy of the Risk Assessment report in the project file, which file shall be retained by Grantee for a period of three years after completion of the project, and which shall be made available for Grantor inspection upon request at any time during this three-year time period.
- g. Have scope of work prepared by persons who have, at a minimum, successfully completed the one-day EPA Renovation, Repair, and Painting/Renovator's and Remodeler's Training Program or the Lead-Based Paint Risk Assessor Training or the Lead-Based Paint Contractor Training provided by a trainer approved and listed by ODH.
- h. Specify in the scope of work for projects involving lead-safe renovation each area that is subject to a clearance examination, and if the area is less than the entire unit, how the area will be appropriately isolated from the rest of the work site.
- i. Include the following provisions in each contract for renovation, rehabilitation, or paint repair in a lead-safe manner that is supported with HUD funds:
 1. That the contractor shall make available for inspection by Grantor staff, as well as Grantee's local staff, during normal business hours anytime while the renovation, rehabilitation, or paint repair is going on the entire work site, work specifications, and any documents related to the project.
 2. That the contractor will do work in a lead-safe manner in order to protect both workmen and occupants.

PY 2021 Community Development Program

3. That the contractor:
 - a. Shall maintain at the work site documentation of certification of all persons working on the project who have successfully completed the EPA Renovation, Repair, and Painting/Renovator's and Remodeler's Training Program (or documentation that such persons are licensed abatement contractors or workers); and
 - b. Shall provide such documentation to Grantor personnel upon request.
 4. That Grantee will terminate an agreement with any contractor who does not do the renovation, remodeling, or paint repair work in a lead-safe manner consistent with **24 CFR 35.900 to 35.940**, and the **HUD Guidelines for Evaluation and Control of Lead-Based Paint Hazards in Housing**; and who fails to correct the inconsistent work practices.
 5. That Grantee will not pay for renovation, remodeling, or paint repair work done in a non-lead-safe manner.
 6. That each HUD-assisted unit that is subject to lead-safe renovation must pass a clearance examination. Clearance must be achieved using the methods and standards prescribed by **O.A.C. 3701-32-12**.
 7. That a laboratory approved by the Director of the Ohio Department of Health shall conduct the analysis of all environmental samples.
12. **Revolving Loan Funds.** The grantee must transfer the appropriate Revolving Loan Fund (RLF) funds by resolution to the activities for which matching funds were committed in the Community Development Program application. The grantee is reminded it must follow all applicable CDBG rules and regulations pertaining to the activity for which the RLF funds are approved, including environmental review, procurement, and payment of federal prevailing wage rates. This special condition will serve as OCD's approval of the grantee's waiver request.
13. **Expenditure of Funds.** Any CDBG Critical Infrastructure Program grant funds committed to a Community Development Program project as match must be expended on a pro-rata basis with other private and public funds committed to this project as described in the Scope of Work. Any Allocation funds committed to a Critical Infrastructure project may be expended in full and are not subject to the pro-rata requirement. Grantee must keep appropriate documentation of these expenditures on file to show compliance. Examples are provided in **[OCD 19-03: Pro-Rata Requirements for Office of Community Development Programs.](#)**

If the Scope of Work includes Neighborhood Revitalization Program funds, the Grantee must notify the Grantor of any changes or modifications to the financing package as identified in Attachment A of this agreement. Modification to the financing structure may affect the grant award to the Grantee.

PY 2021 Community Development Program

14. **Universal Identifier and Central Contractor Registration.** As a recipient of federal funds, Grantee will be required to maintain an active registration in the System for Award Management (SAM) as required by **2 CFR Part 25**. Information on registration is available at www.sam.gov.

PY 2021 Community Development Program

Attachment C: Reporting Requirements

Grantee shall submit the reports listed below in an adequate and timely fashion. Grantor shall provide a format for these reports and shall instruct Grantee on the proper completion of said reports.

All report forms and requirements listed herein shall be provided by Grantor, but shall not be construed to limit Grantor in making additional and/or further requests, nor in the change or addition of detail to the items listed below:

1. Grantee shall submit to Grantor a Status Report within 30 days of the request by Grantor.
2. Grantee shall submit a Final Performance Report at the conclusion of the project(s) which are the subject of this Agreement.

PY 2021 Community Development Program

Attachment D: Grantee Assurances and Certifications

The following assurances will be contained in this Agreement between the Grantor and Grantee.

Grantee hereby assures and certifies to the following conditions:

1. It will affirmatively further fair housing, which means that it will take meaningful actions, in addition to combating discrimination, that overcome patterns of segregation and foster inclusive communities free from barriers that restrict access to opportunity based on protected characteristics; and that it will comply with the fair housing program requirements outlined in the Ohio Consolidated Plan.
2. It is following a residential anti-displacement and relocation assistance plan in connection with any activity assisted with funding under the Community Development Block Grant (CDBG) program or the HOME Investment Partnerships Program (HOME). By following a residential anti-displacement and relocation assistance plan it will minimize displacement of persons as a result of assisted activities.
3. It possesses legal authority under state and local law to carry out and the programs for which it is seeking funding, in accordance with applicable HUD regulations.
4. It will certify that it will comply with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (**42 U.S.C. 4601**), and implementing regulations at **49 CFR part 24**.
5. It will certify that it will comply with Section 3 of the **Housing and Urban Development Act of 1968 (12 U.S.C. 1701u)** and implementing regulations at **24 CFR part 75**, and will follow the prioritization of effort outlined in §75.19:
 - a. Employment and training.
 - i. To the greatest extent feasible, and consistent with existing Federal, state, and local laws and regulations, Grantee shall ensure that employment and training opportunities arising in connection with Section 3 projects are provided to Section 3 workers within the metropolitan area (or nonmetropolitan county) in which the project is located.
 - ii. Where feasible, priority for opportunities and training described in the above paragraph should be given to:
 1. Section 3 workers residing within the service area or the neighborhood of the project, and
 2. Participants in YouthBuild programs.
 - b. Contracting
 - i. To the greatest extent feasible, and consistent with existing Federal, state, and local laws and regulations, Grantee shall ensure contracts for work

PY 2021 Community Development Program

awarded in connection with Section 3 projects are provided to business concerns that provide economic opportunities to Section 3 workers residing within the metropolitan area (or nonmetropolitan county) in which the project is located.

ii. Where feasible, priority for contracting opportunities described in the above paragraph should be given to:

1. Section 3 business concerns that provide economic opportunities to Section 3 workers residing within the service area or the neighborhood of the project, and

2. YouthBuild programs.

6. It will certify that it is in full compliance and following a detailed citizen participation plan that satisfies the requirements of **§570.486** and **42 U.S. Code § 5304**.
7. It will identify community development and housing needs including the needs of low-income and moderate-income families, and the activities to be undertaken to meet these needs.
8. It will comply with the current state of Ohio Consolidated Plan that has been approved by HUD.
9. It will certify that it has complied with the following criteria related to assessments and fees:

Special assessment definition: The term "special assessment" means a fee or charge levied or filed as a lien against a parcel of real estate as a direct result of benefit derived from installing a public improvement, such as streets, water or sewer lines, curbs and gutters. The amount of the fee represents the prorated share of the capital costs of the public improvement levied against the benefiting properties or a one-time charge made as an access condition to the public improvement. This term does not relate to taxes, or establishing real estate value for levying real estate, property or ad valorem taxes, nor does it include periodic charges based on using public improvements, such as water or sewer user charges, even if such charges include recovering all or some portion of the public improvement's capital costs.

Where CDBG funds are used to pay all or part of public improvement cost, special assessments may be used to recover capital costs as follows:

- a. Special assessments to recover the CDBG funds may be made only against properties owned and occupied by households not of low- and moderate- income. Such assessments constitute program income.
- b. Special assessments to recover the non-CDBG portion may be made provided that CDBG funds are used to pay the special assessment on behalf of all properties owned and occupied by low- and moderate-income households; except that CDBG funds need not be used to pay the special assessments on behalf of properties owned and occupied by moderate-income households if the grant recipient certifies that it does not have sufficient CDBG funds to pay the assessments on behalf of all the low- and moderate-income, owner-occupant households. Funds collected through such special assessments are not program income.

PY 2021 Community Development Program

Program funds may be used to pay all or part of special assessments levied against a property when such assessments are used to recover the capital cost of eligible public improvements financed solely from sources other than CDBG funds, provided that:

- a. The assessment represents that property's share of the capital cost of the improvements;
- b. Installing the public improvements was carried out in compliance with requirements applicable to activities assisted under this part of the CDBG regulations including environmental, citizen participation and Davis-Bacon requirements; and
- c. Installing the public improvement meets a national objective criterion.

Special assessments cannot be paid for low- or moderate-income persons where the public improvement itself does not meet a national objective. To pay an assessment for a low- or moderate-income person means to pay the whole assessment as a grant.

10. It will certify that the grant will be conducted and administered in conformity with **title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d), the Fair Housing Act (42 U.S.C. 3601- 3619)** and implementing regulations.
11. Its activities concerning lead-based paint will comply with the requirements of **24 CFR 35, subparts A, B, J, K, and R.**
12. It will comply with all applicable laws.
13. In addition to other provisions required by the Federal agency or non-Federal entity, all contracts made by the non-Federal entity under the Federal award must contain provisions covering the following, as applicable:
 - a. Contracts for more than the simplified acquisition threshold, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by **41 U.S.C. 1908**, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.
 - b. All contracts in excess of \$10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be effected and the basis for settlement.
 - c. Equal Employment Opportunity. Except as otherwise provided under **41 CFR Part 60**, all contracts that meet the definition of "federally assisted construction contract" in **41 CFR Part 60-1.3** must include the equal opportunity clause provided under **41 CFR 60-1.4(b)**, in accordance with **Executive Order 11246**, "Equal Employment Opportunity" (**30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339**), as amended by **Executive Order 11375**, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at **41 CFR part 60**, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."
 - d. Davis-Bacon Act, as amended (**40 U.S.C. 3141-3148**). When required by Federal program legislation, all prime construction contracts in excess of \$2,000 awarded by non-Federal

PY 2021 Community Development Program

entities must include a provision for compliance with the Davis- Bacon Act (**40 U.S.C. 3141-3144, and 3146-3148**) as supplemented by Department of Labor regulations (**29 CFR Part 5, “Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction”**). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the **Copeland “Anti-Kickback” Act (40 U.S.C. 3145)**, as supplemented by Department of Labor regulations (**29 CFR Part 3, “Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States”**). The Act provides that each contractor or sub-recipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

- e. Contract Work Hours and Safety Standards Act (**40 U.S.C. 3701-3708**). Where applicable, all contracts awarded by the non-Federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with **40 U.S.C. 3702** and **3704**, as supplemented by Department of Labor regulations (**29 CFR Part 5**). Under **40 U.S.C. 3702 of the Act**, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of **40 U.S.C. 3704** are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.
- f. Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of “funding agreement” under **37 CFR §401.2 (a)** and the recipient or sub-recipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that “funding agreement,” the recipient or sub-recipient must comply with the requirements of **37 CFR Part 401**, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency.
- g. Clean Air Act (**42 U.S.C. 7401-7671q**.) and the Federal Water Pollution Control Act (**33 U.S.C. 1251-1387**), as amended—Contracts and subgrants of amounts in excess of \$150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (**42 U.S.C. 7401-7671q**) and the Federal Water Pollution Control Act as amended (**33**

PY 2021 Community Development Program

U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

- h. Debarment and Suspension (**Executive Orders 12549 and 12689**)—A contract award (see **2 CFR 180.220**) must not be made to parties listed on the government wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at **2 CFR 180** that implement Executive Orders 12549 (**3 CFR part 1986 Comp., p. 189**) and 12689 (**3 CFR part 1989 Comp., p. 235**), “Debarment and Suspension.” SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.
- i. Byrd Anti-Lobbying Amendment (**31 U.S.C. 1352**)—Contractors that apply or bid for an award exceeding \$100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by **31 U.S.C. 1352**. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.
- j. Section 3 of the **Housing and Urban Development Act of 1968 (12 U.S.C. 1701u)** and implementing regulations at **24 CFR part 75**. Contracts for projects that meet the definition of “Section 3 Project” under 24 CFR 75.3(a)(2) must include language applying the requirements of Section 3 of the **Housing and Urban Development Act of 1968 (12 U.S.C. 1701u)** and implementing regulations at **24 CFR part 75**.
- k. See **§200.323** Procurement of recovered materials.
- l. See §200.216 Prohibition on certain telecommunications and video surveillance services or equipment.
- m. See §200.322 Domestic preferences for procurements.

PY 2021 Community Development Program

Attachment E: Local Government Certifications to the State

Title I, Section 106 of the Housing and Community Development Act of 1974, as amended, requires that no amount may be distributed by the State under the CDBG Program to any unit of general local government located in a non-entitlement area unless such unit of general local government certifies that:

1. It will minimize the displacement of persons as a result of activities assisted with such amounts.
2. Its program will be conducted and administered in conformity with Title VI of the Civil Rights Act of 1964 (42 USC 2000d et seq.) and the Fair Housing Act (42 USC 3601-20), and that it will affirmatively further fair housing.
3. It is following a detailed citizen participation plan which:
 - a. provides for and encourages citizen participation, with particular emphasis on participation by persons of low and moderate income who are residents of slum and blight areas and of areas in which Section 106 funds are proposed to be used, and in the case of a grantee described in Section 106(a), provides for participation of residents in low- and moderate-income neighborhoods as defined by the local jurisdiction;
 - b. provides citizens with reasonable and timely access to local meetings, information, and records relating to Grantee's proposed use of the Grant Funds, as required by regulations of the Secretary, and relating to the actual funds under this title;
 - c. provides for technical assistance to groups representative of persons of low and moderate income that request such assistance in developing proposals with the level and type of assistance to be determined by Grantee;
