Lisa Hawkins, Clerk of the Board
Ashtabula County Commissioners

Jefferson, Oh 44047

Dear Lisa,

This office would like to request authorization to purchase a new 2022 Chevrolet 3500 Truck with dump body from Classic of Madison; Madison, Ohio 44057 in the amount of \$49,990.00, to be used primarily for the bridge crew's operations. Ohio DAS has an open contract RS1007536 for this type of truck with Valley Ford of Cleveland, but the price is \$62,900.00 and they cannot provide us with when availability may occur due to a lack of production. We have inquired at many dealers in our county and the surrounding area, but there is currently no availability due to the lack of production. The above price is well under the state contract price and is the only truck available for the foreseeable future.

The truck will replace (2-17) a 2008 Ford F-250 XL that has outlived its usefulness. It will be sold at auction after the new truck is put into service.

Purchase will be from MVGT funds.

Thank You for your consideration of this request.

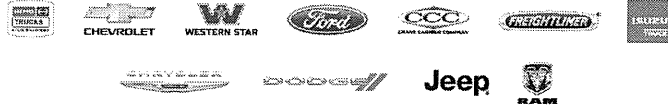

Sincerely,

A handwritten signature in blue ink that reads "Thomas Partridge".

Chief Deputy Engineer

OHIO CONTRACT RS1007536

Hi Amir,

Following are the specifications for the F350 with dump body. Cost is \$62,900.00

Due to current market conditions, I don't have a good idea on delivery. Build is at the discretion of the Manufacturer. Availability is subject to change without notice.

I will call to follow up but please call anytime with any questions, (216)524-2400.
