

RESOLUTION REMOVING SHAWN AIKEN AND APPOINTING GEORGIA CONWAY AS ASHTABULA COUNTY SANITARY ENGINEER

WHEREAS, Ohio Revised Code Section 6117.01(C) allows county commissioners to employ a registered professional engineer to be the county sanitary engineer for the time and on the terms it considers best and may authorize the county sanitary engineer to employ necessary assistants upon the terms fixed by the board; and

WHEREAS, Shawn Aiken was appointed to serve as the sanitary engineer for Ashtabula County; and

WHEREAS, Mr. Aiken has indicated he is no longer going to serve as the Sanitary Engineer for Ashtabula County; and

WHEREAS, It is the recommendation of CT Consultants a Verdantas Company to name Georgia Conway as the Ashtabula County Sanitary Engineer and this board concurs; now

THEREFORE, BE IT RESOLVED, By the Board of Commissioners of Ashtabula County, Ohio, that Georgia Conway be named as the Ashtabula County Sanitary Engineer for an indefinite period of time, until further order of the Board of Commissioners.

Reference: Ashtabula County Sanitary Engineer

Dear Ashtabula County Board of Commissioners,

During one of our recent work sessions with the Board of Commissioners, Shawn Aiken, our current County Sanitary Engineer advised the Board that he has been promoted to Vice President. This has been a part of CT Consultants transitioning to the Verdantas brand. Shawn will be the Nation Water Market Lead and all of us at ACDES wish him nothing but the best. Shawn has represented our County for many years and will continue to be a source of great information and a sounding board, when we need him to weigh in on certain matters. All of that being said, his promotion brings with it changes that will be needed at our end, regarding our Sanitary Engineer. I have had the pleasure of working with Shawn for many years and believe he will miss the direct contact he has enjoyed with our staff. He also has been including and mentoring Georgia Conway in what's needed and expected as a Sanitary Engineer. Georgia has been working with our staff for some time now and has been great with her involvement, knowledge and timeliness. So, after some good conversations with Shawn and our time spent getting to know and working with Georgia, I would like to recommend Georgia Conway, P. E. to be approved as our Ashtabula County Sanitary Engineer. I plan to coordinate with Georgia to attend our next work session to formally introduce her to the Board of Commissioners.

Yours in Service.

Douglas Starkey, Director

Ashtabula County Department of Environmental Services
